ANOKAN

PETER MORK

Reserve
for 12/2/20

Peter
Latin would have been
deader than ever if you
hadn't been in this class.
Hope to see you in some
class next year. Have fun

Pete.
Take it easy
next year on
those "cute" sophomore
girls. Have fun
this summer but don't
get carried away. I
wish you many a hole-
in-one at the golf course.
Good luck in the future!
Harry

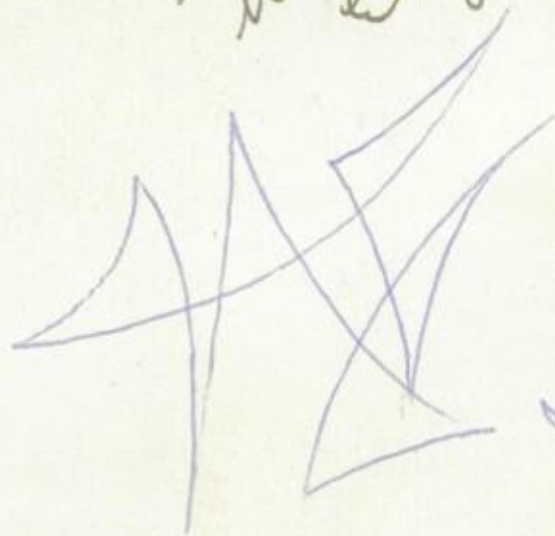

Sandy
To the boy who
would always
ask ~~me~~ embarrassing
questions in LATIN,
and play football too!
Sandy
You'll be repeating
yourself with me.
Maryann

Pete.
Guess I'll have to
show you how to mine
trees if you haven't learned
all ready.
Dave.

Pete.
Havent we had a screaming
quinn in Latin but what
can you expect from such
a subject. Take it easy
on the old this summer
and dont work too hard
Lots of luck in
your junior
year
Joanna
Case

Had a
lot of fun in
Geometry.
of such
Don Erickson

Peter
It has
been nice
having you in
English. Good luck
Winnie
"61"

Remember this?
I sure get a lot done
in Geometry. Good
luck this year.
Jewell Parker

Peter

Lots of luck to
a real swell kid. We
are going to miss you
next year in Geometry

Gary Adams

Peter, I'm sure
you'll have fun in English!!
Have a nice vacation
See you next fall
Bonnie Frank

Be a good scholar
and a better fisherman
lots of luck in the
coming years

John Freeburg

Peter,
Good luck!
Let's get out
and hack around
Jim S.

I like the odds in
here, 7 to 1,

Pete:

Good luck next year
in all your classes.
Don't lose too many
balls in Greenhaven's pond
this summer. Dear.

Pete, "now comes
your turn." Just kidding ever
mentis." You will your ever
of course. You will your ever
forget Latin class. He had fun
in spite of our teacher! Lotsa Luck,
Janet '61"

Pete:

It's been fun having
you in my geometry & Biology
classes. Have fun this
summer and give the girls
a hard time. Good luck
Donna

Janet

Pete

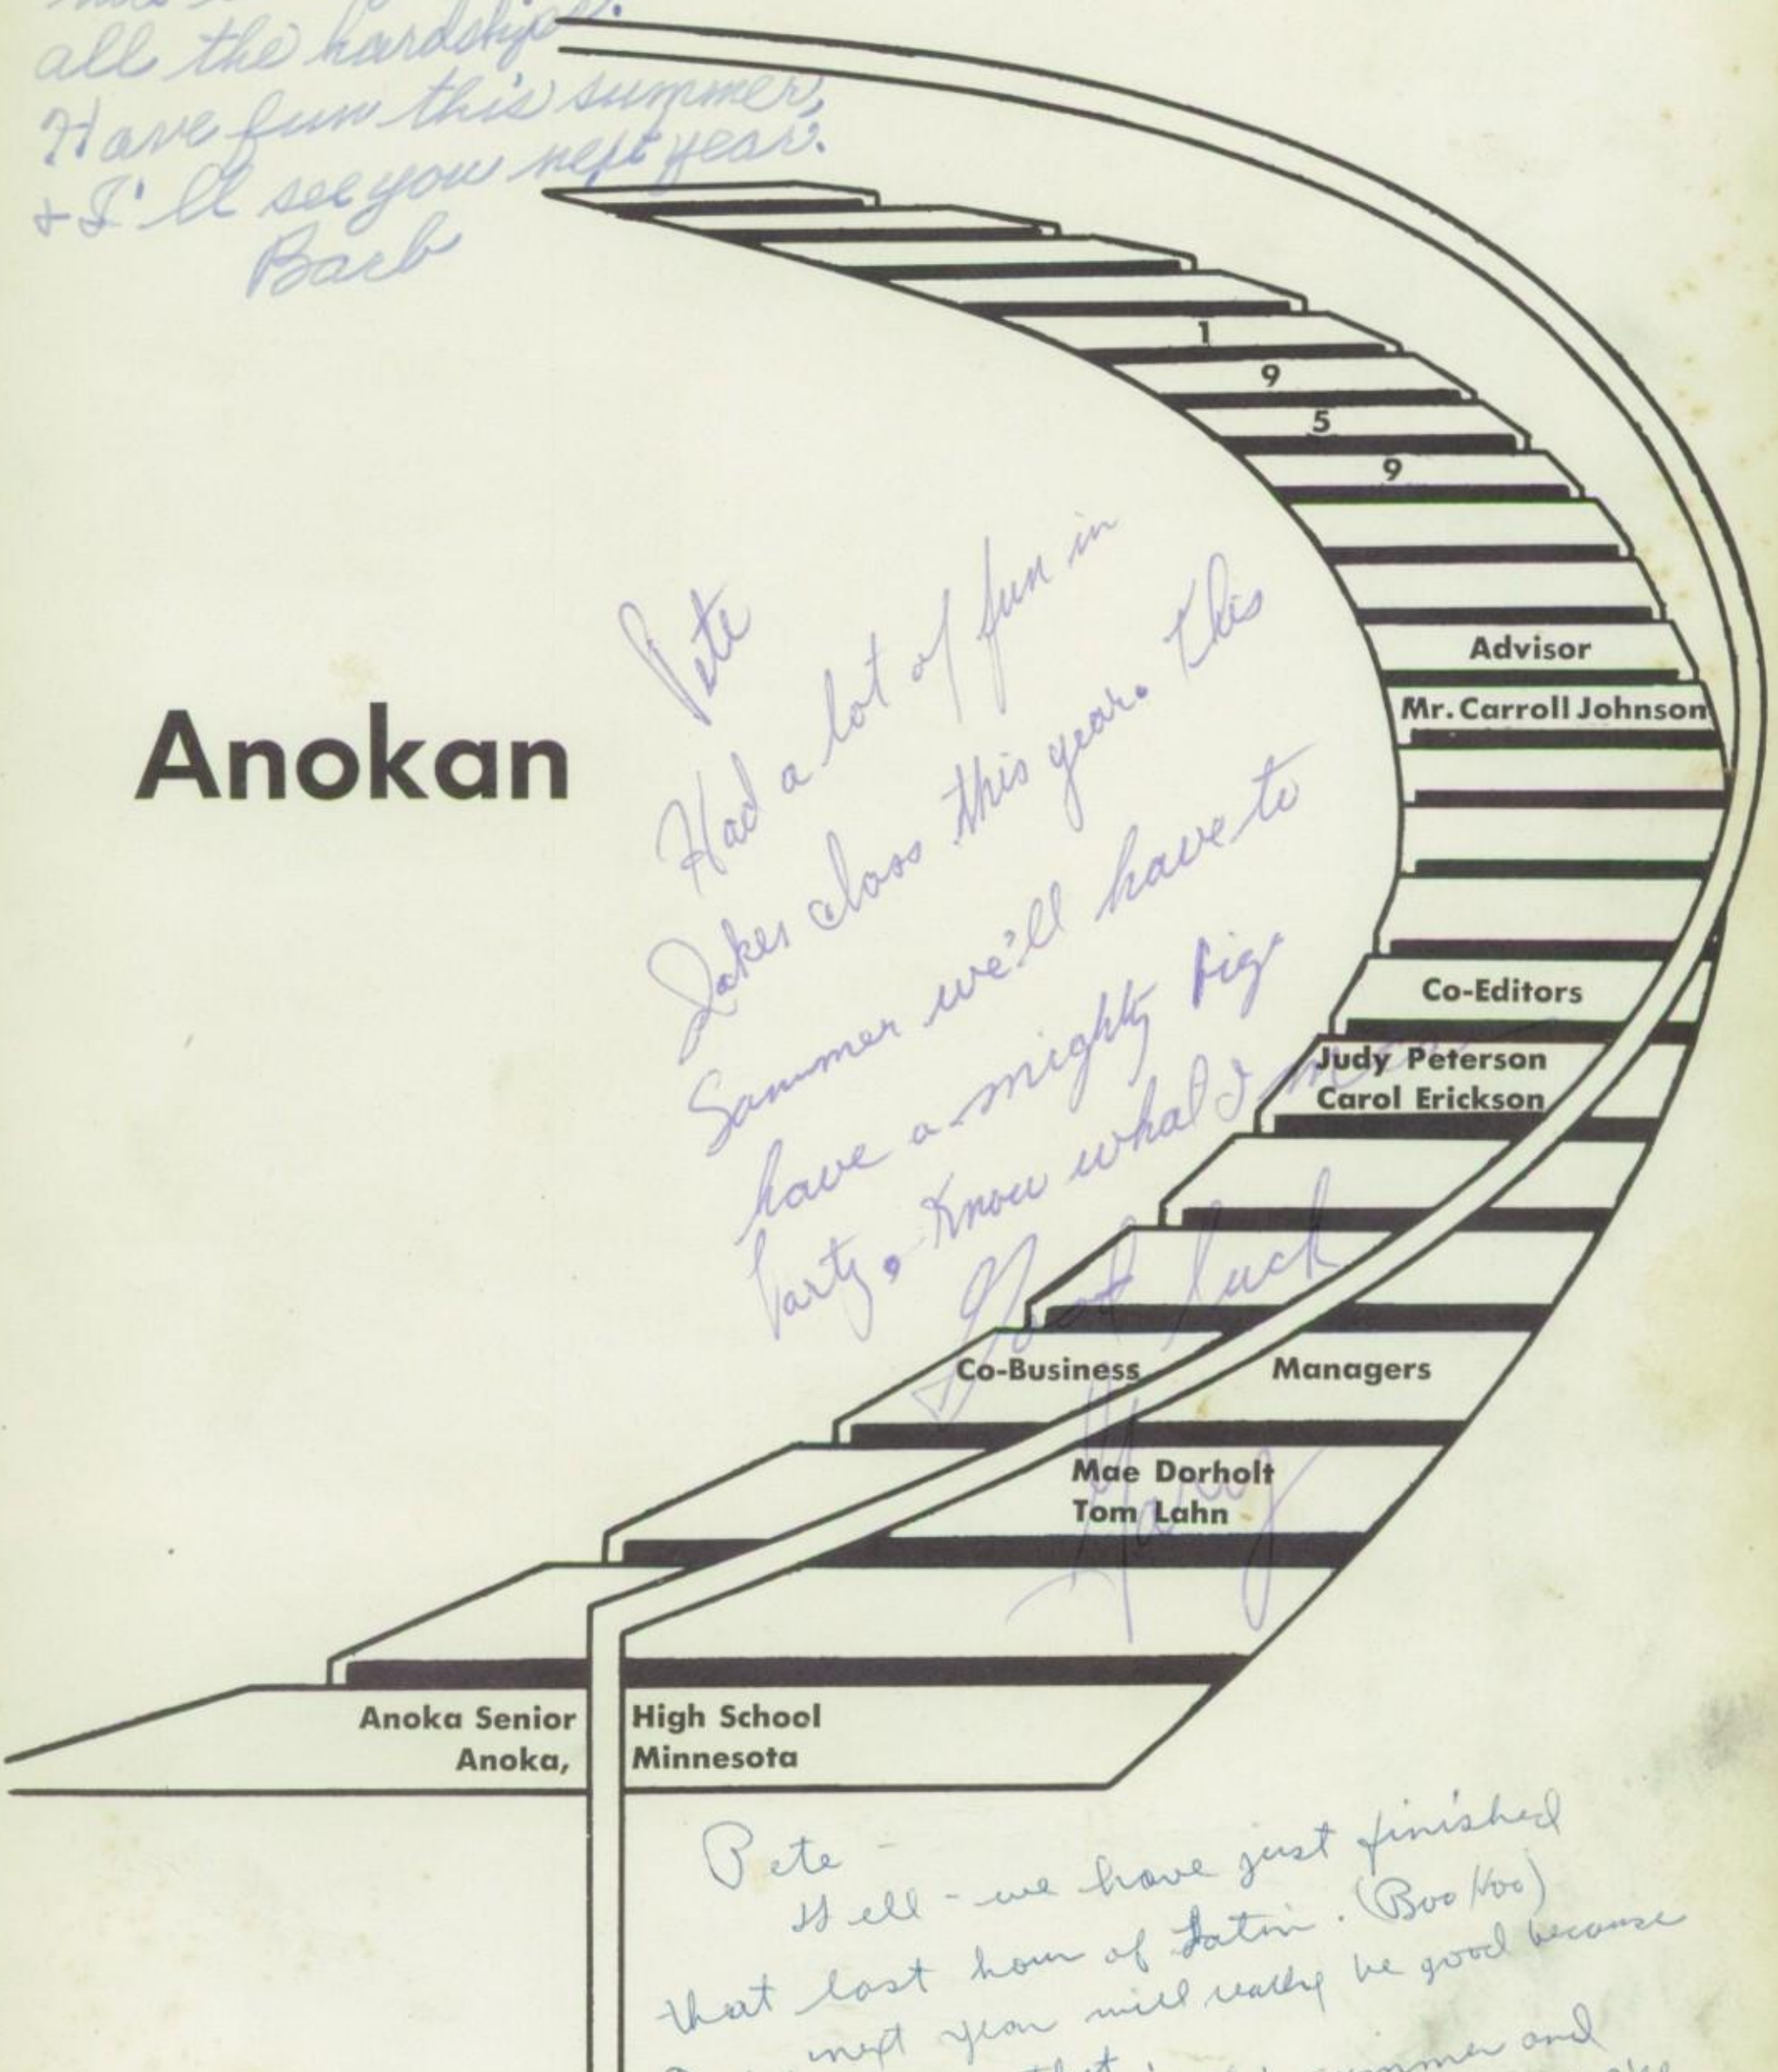

Hardships - class

Pete -
Hasn't English been
nice this year; despite
all the hardships?
Have fun this summer,
+ I'll see you next year.
Barb

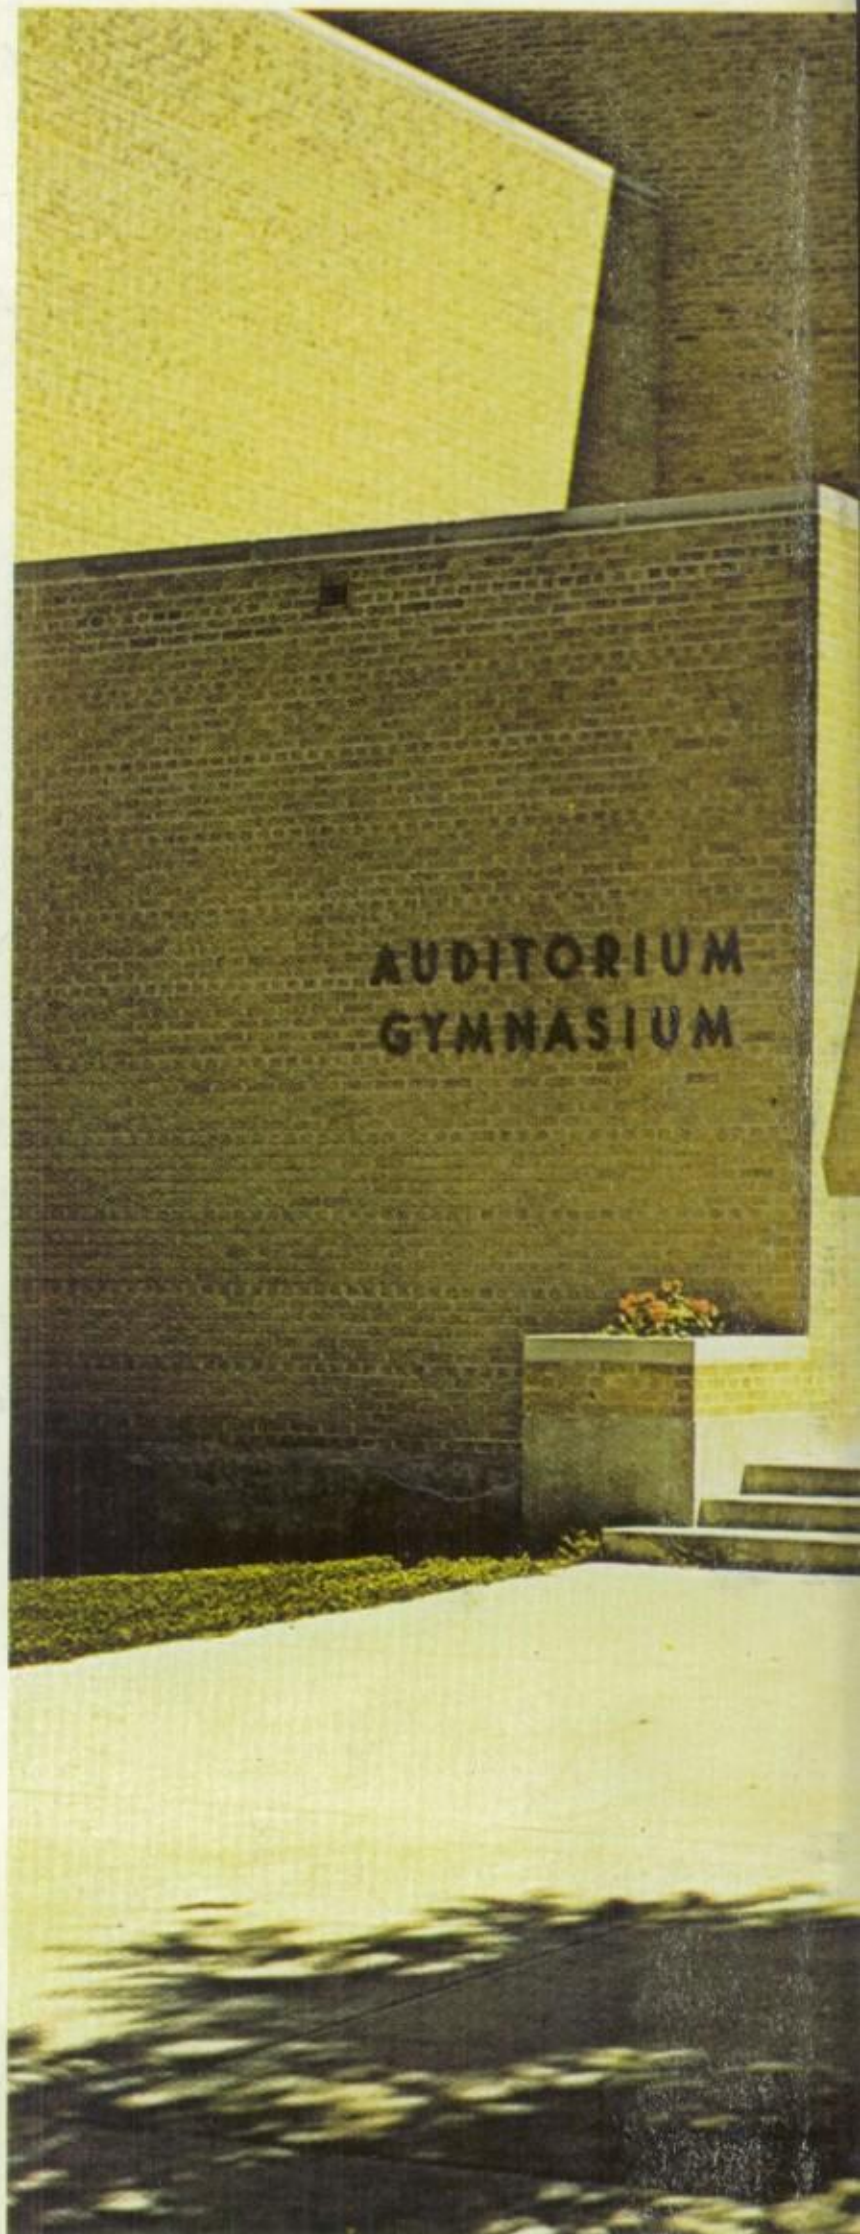

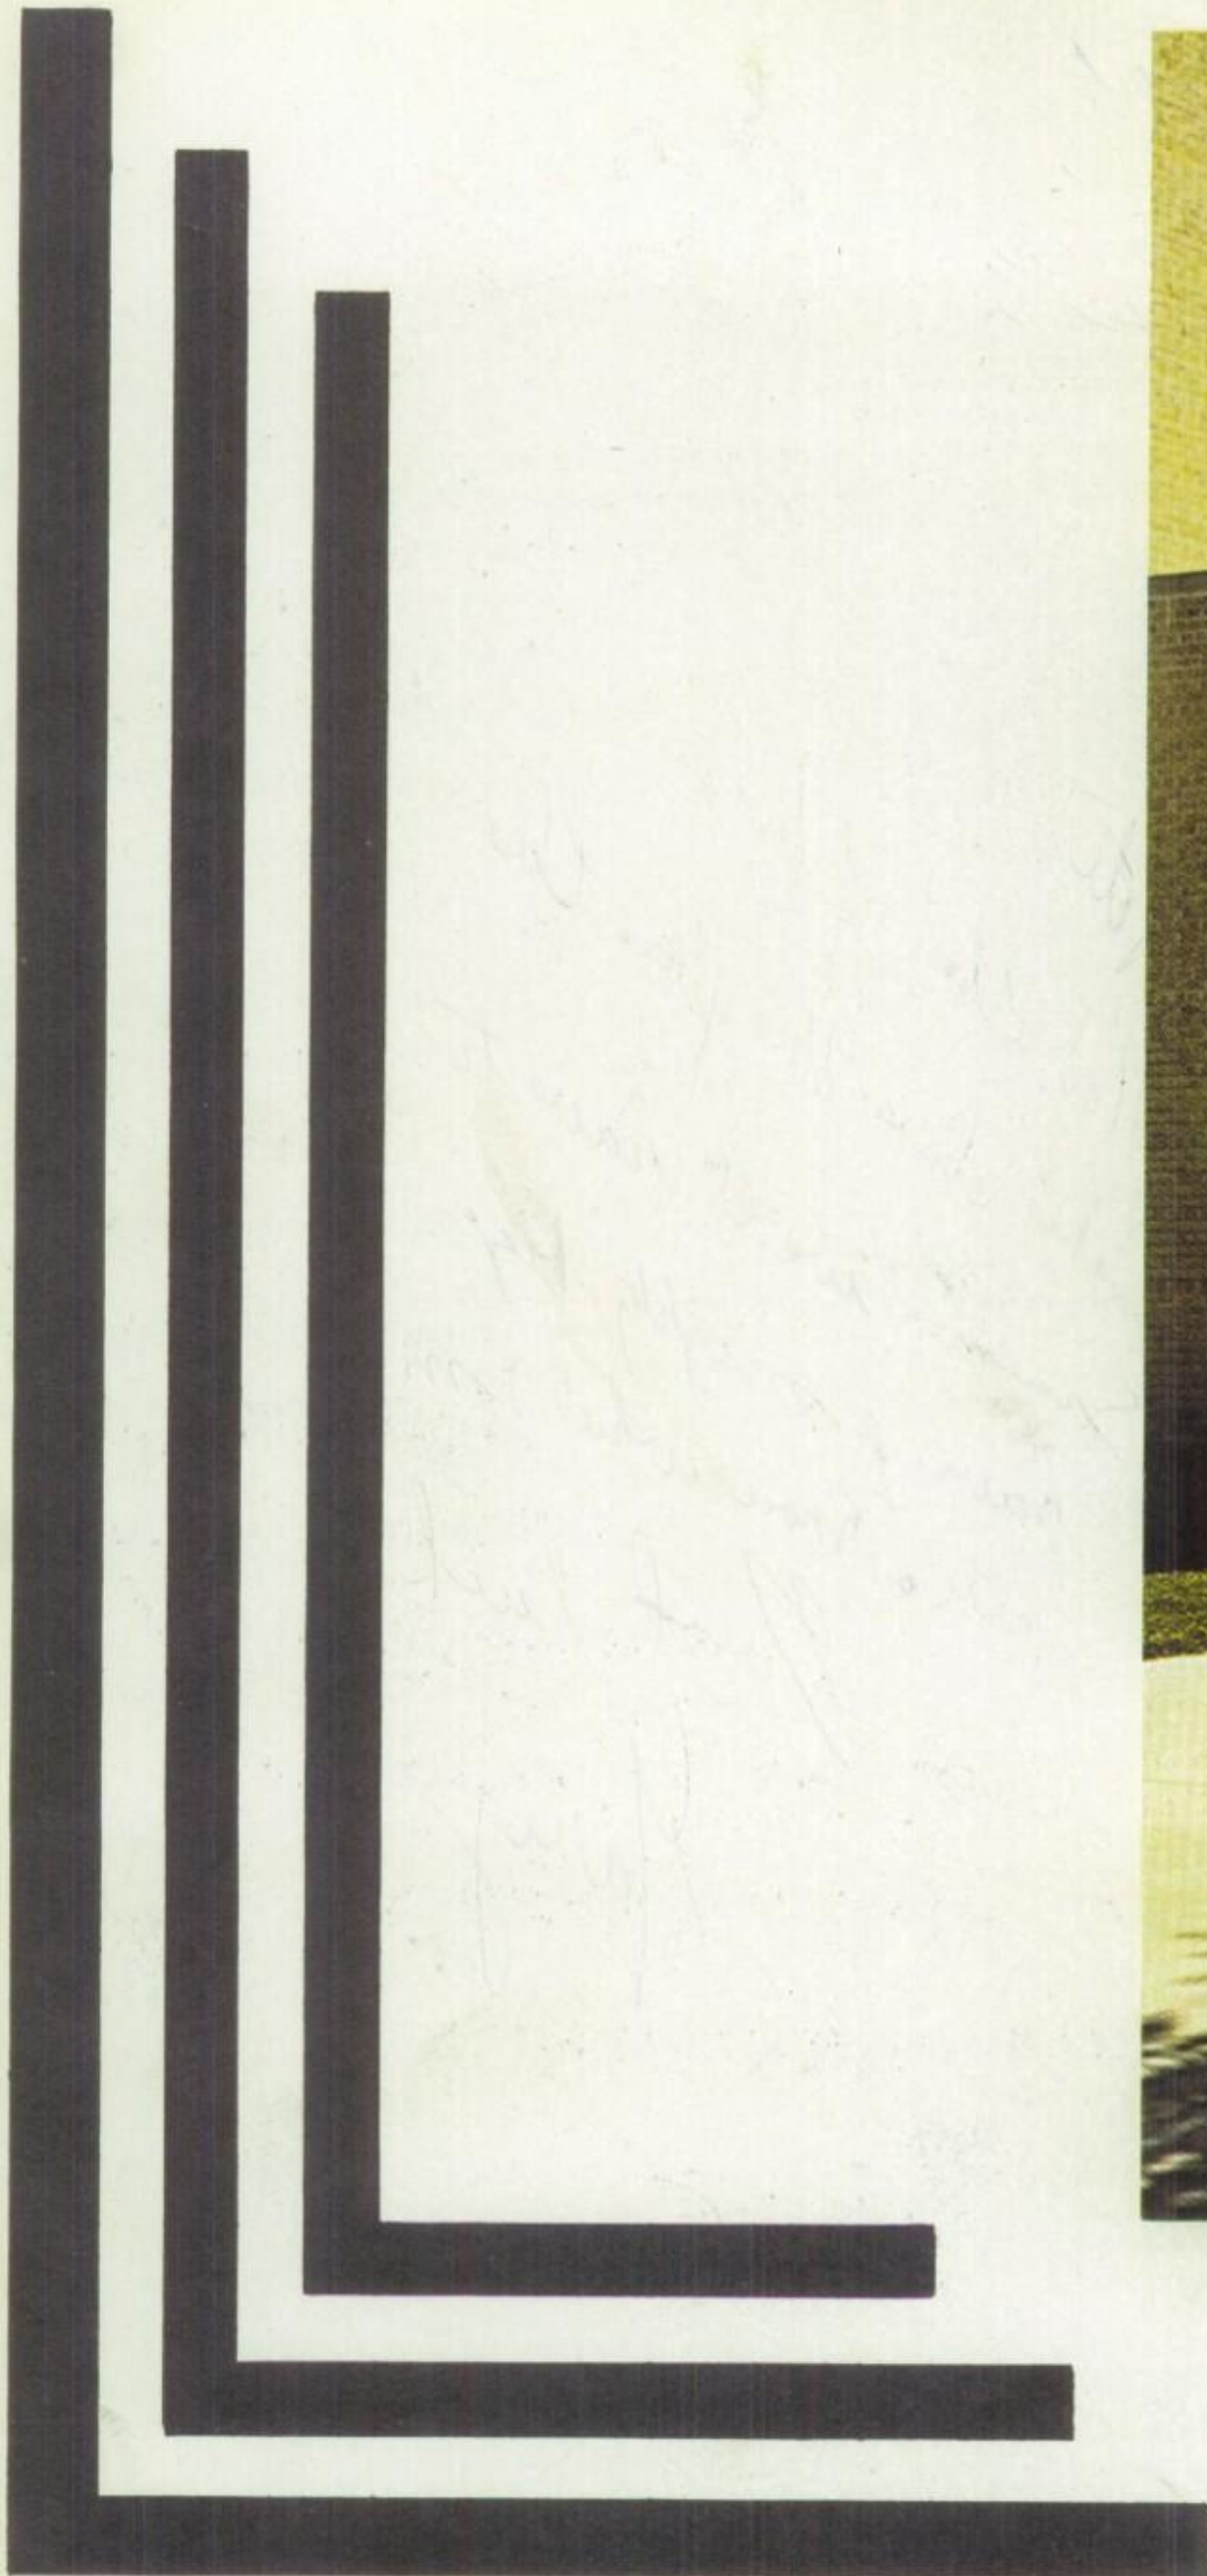

Anokan

Pete
Had a lot of fun in
Laker class this year. This
Summer we'll have to
have a mighty big
party. Know what I mean?

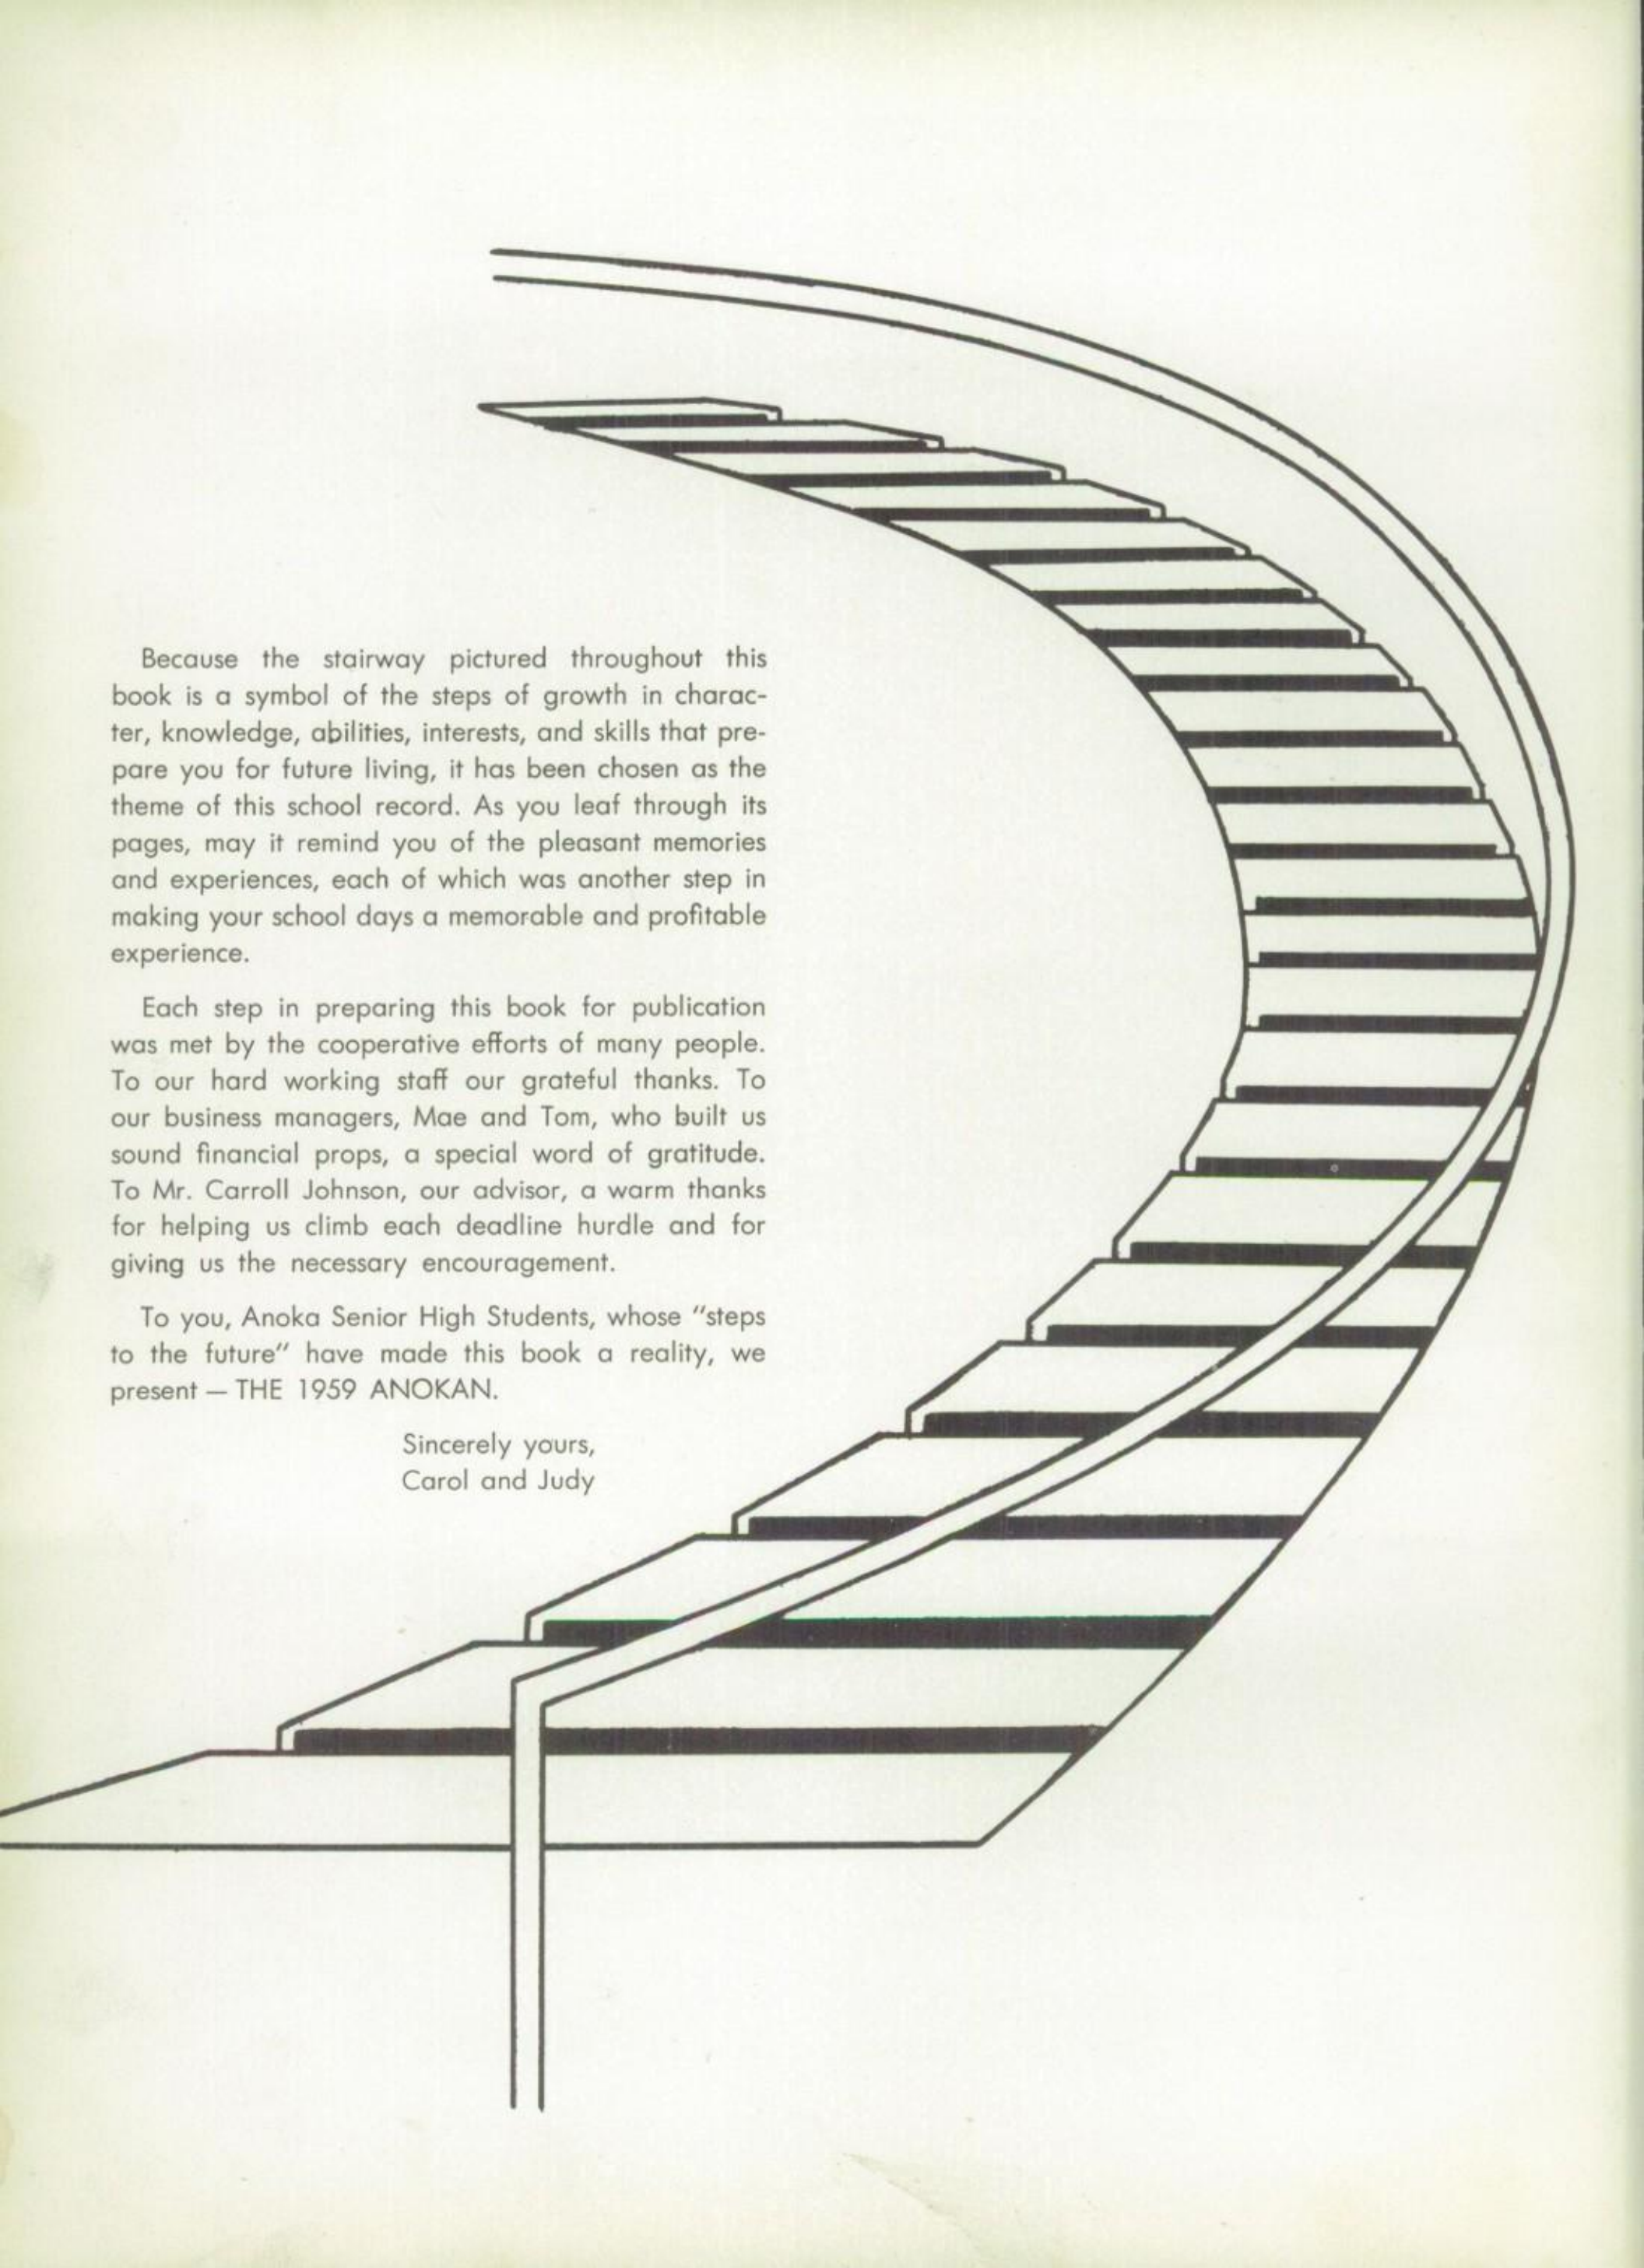

Good luck
Harry

Pete -
Hell - we have just finished
that last hour of Latin. (Boo/boo)
Boy, next year will really be good because
I won't have that.
Take it easy this summer and
if thing turn out or don't turn out I'll
see you next year.
Lots of luck,
P.T. Petty

Because the stairway pictured throughout this book is a symbol of the steps of growth in character, knowledge, abilities, interests, and skills that prepare you for future living, it has been chosen as the theme of this school record. As you leaf through its pages, may it remind you of the pleasant memories and experiences, each of which was another step in making your school days a memorable and profitable experience.

Each step in preparing this book for publication was met by the cooperative efforts of many people. To our hard working staff our grateful thanks. To our business managers, Mae and Tom, who built us sound financial props, a special word of gratitude. To Mr. Carroll Johnson, our advisor, a warm thanks for helping us climb each deadline hurdle and for giving us the necessary encouragement.

To you, Anoka Senior High Students, whose "steps to the future" have made this book a reality, we present — THE 1959 ANOKAN.

Sincerely yours,
Carol and Judy

Seniors Looking Back

Seniors '59! The top of the stairway! The beginning of a new flight into the future! But before we leave, let's reminisce.

We remember: the basketball tournament "fever" and sponsoring a May Dance in our Sophomore year; creating the "Underwater Rhapsody" theme of our Junior-Senior Prom; working on class floats for Homecoming Parades; supporting our team with enthusiastic school spirit; thrilling to the sound of our school song played by the band; nervously filing on the risers for chorus concerts; beginning our senior year by getting acquainted with our two foreign exchange students, Maria Marques from Portugal and Asif Beg from Pakistan. We'll never forget the day our fruit machine was installed in the cafeteria, the fun of reading the school paper, the crowded assemblies, taking scholarship tests, attending Awards Banquets, exchanging class pictures and signing annuals. All through our senior year we felt the significance of the many "last times" that occurred.

And now we Seniors have even more memories: the announcement of honor students; the Senior Banquet; Baccalaureate; and finally, graduation itself and our plans for the future.

Yes, as we stand on the top step of our high school stairway, we look back at these happy memories and know we'll never forget our wonderful days at Anoka Senior High.

President, John Tammi; Vice President, Joe Blesi; Secretary, Mary Watson; Treasurer, Janice Anderson.

Juniors Prepare for Final Step

Vice President, Dave Hyllengren; President, Pete Ben-
zian; Secretary, Nicky Kerpin; Treasurer, Karen Brown.

The Junior class stepped right into school activities this year. Members of the class joined clubs and actively participated in athletic events.

One "A" squad cheerleader and four "B" squad cheerleaders led their class in cheering for the teams. The high point of the winter sports season was the Winter Homecoming Dance which the juniors sponsored.

Juniors were busy in their classes, too. In addition to regular classroom tests, they all took the Iowa Tests of Educational Development and the College Aptitude Test. College-bound students took the Scholarship Qualifying Test and the National Merit Scholarship Test. Trying to answer the questions on these tests quickly shrank any swelled heads which they might have had. In between tests they showed their natural love of a good time by "accidentally" blowing up the chemistry sinks, singing cowboy songs in English class, or "forgetting" their textbooks so they would have to share books with a friend.

In the spring the juniors really stepped into action. They received their class rings. The halls were filled with groups of juniors and seniors comparing rings. Naturally the juniors had the best rings in the school's history. The class also elected members to the National Honor Society and chose delegates to Boys' and Girls' State.

The Junior-Senior Prom in May was the biggest social event sponsored by the juniors. They worked very hard on a gay and festive dance which will always be remembered by the juniors and seniors who attended.

At last, they passed their final exams and became seniors. Next year they will be the "big wheels" of the school. But they were sure that there would never be another year quite like their junior year.

Sophomores Begin Climb

The graduating class of 1961, this year's Sophomores, entered into the activities of the year as the youngest students in the school. Although they felt lost in the beginning after the big step from Junior High to Senior High, they soon learned to find their way around the halls to their classrooms, the lunch-room and their auditorium seats. Before many weeks had passed they became well acquainted and had settled down to the serious business of studying.

The class was headed by Eugene Wolffe, president; Don Rainbow, vice-president; Pat England, secretary; and Terrie Pfleider, treasurer. Representatives were also chosen from each English class to help make up the Student Council.

Two of their projects for the year included decorating a float for Homecoming and sponsoring a dance.

Sophomore school spirit was led by Terrie Pfleider and Pat England, two peppy "B" squad cheerleaders. Also they had many boys on the "B" squad football and basketball teams.

Aside from athletic activities, members of the Sophomore class were kept busy with the all-school-play, band, and chorus, (which, by the way, they almost monopolized.).

They anxiously awaited their junior year when they would no longer be the under-dogs, but we're sure they will always remember the year 1958-1959 as a most memorable school year.

Activities

Student Council

"The meeting will come to order." These were the well-known words of the Student Council President, Duane Blaska.

Members of the council included representatives from each English class, five members of National Honor Society, and the two foreign exchange students, Maria Marques, and Asif Beg.

This year two delegates were sent to the state workshop and two to the state convention. They came back with many new ideas that helped improve the council.

The council sponsored two beautiful homecomings and was able to get a fruit machine put into the cafeteria after much discussion and debate. They amended the constitution to meet the changes in school life and financed the AFS by their spring car wash.

Officers Duane Blaska, Kay Luchsinger, Ann Titterud, and John Tammi can look back on a very successful year.

Causing much excitement and interest each school year, is the annual Junior Red Cross enrollment drive. Each class tries to out-do the other by persuading the students to give their money to a worth-while cause.

Besides the enrollment drive, JRC also made table decorations for hospitals, window displays, writing portfolios, and last but not least, the gift chest.

Leading the club this year was President Joe Blesi. He was helped by the other officers, the council, representing members from each class, and Miss Melby, Advisor.

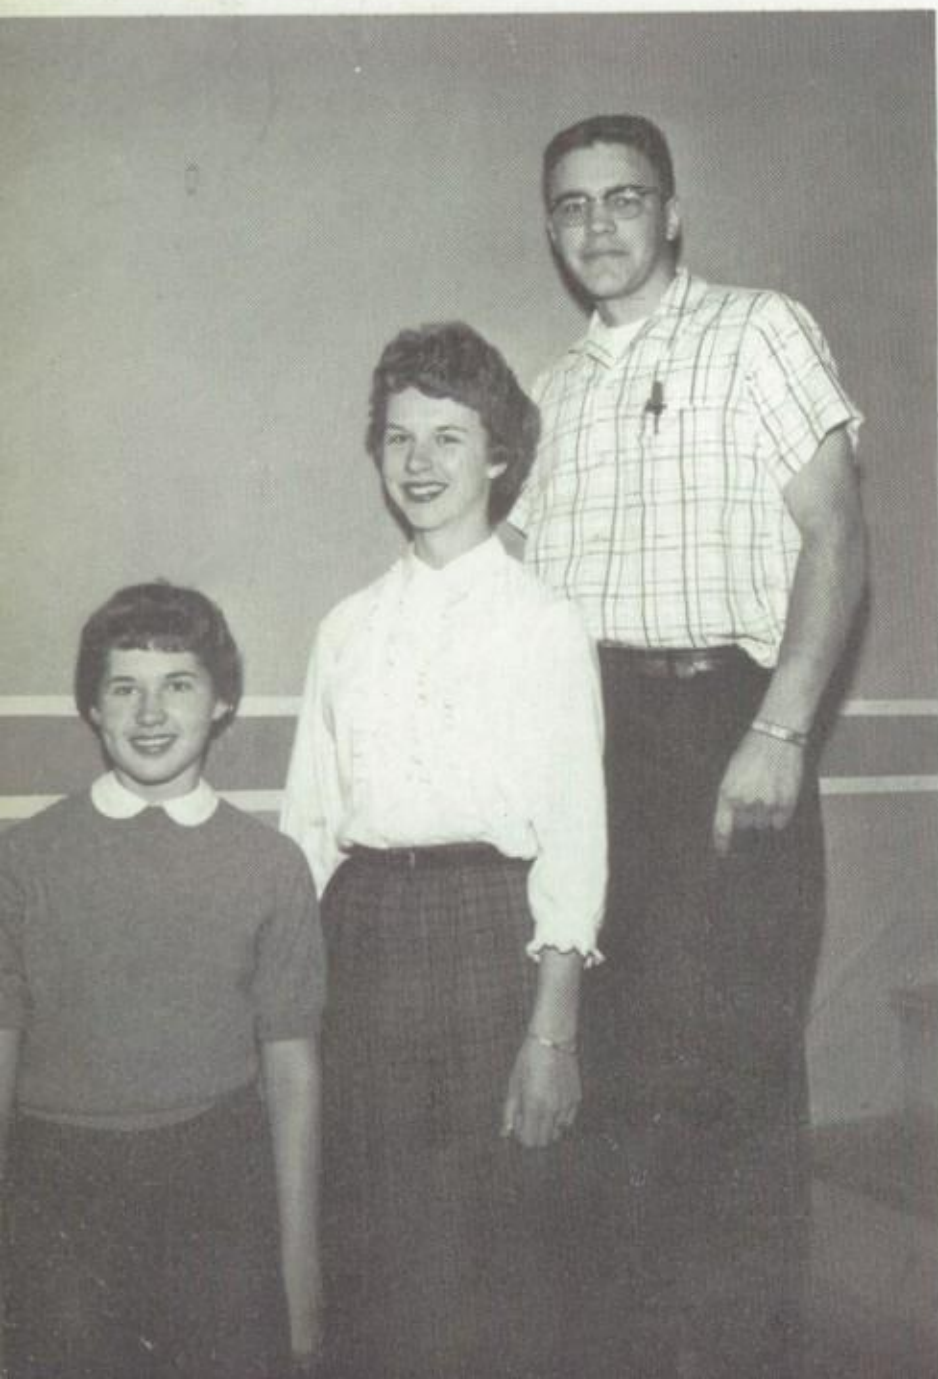

Each summer Anoka sends some of its members to the JRC camps. Much is learned at these camps, and the members come back with many good ideas.

Students participating in JRC, not only get a chance to help in these projects, but also get a personal satisfaction by knowing they are helping people throughout the world.

Science Club

"Anyone interested in science?" This was one of the questions that was asked the students of Anoka High early in the fall of the year. Those interested were asked to join the Science Club, organized for the purpose of increasing their knowledge of science.

Although Sputnik was not one of its main projects, the Science Club had a hard time finishing its telescope which has changed hands for the third year. Many of the members had previously been working on it during the summer in a futile attempt to finish the lens, one of its many parts.

Besides working on the telescope, the club also saw interesting films, received much information about cutting and polishing agates, and heard special speakers.

Calling each meeting to order was President Roland Foster, who was assisted by Marianne Winter as Vice-President, and Janice Anderson as Secretary-Treasurer. Helping the members with his advice was Mr. Froiland.

A round-up picnic was planned to celebrate the success of the year.

Secretary-Treasurer, Janice Anderson; Vice-President, Marianne Winter; President, Roland Foster.

Biology Club

Secretary, Linda Merhiy; Treasurer, John Collison; President, Gail Kaiser; Vice-President, Paul Lommen.

Does visiting a college and museum sound like the Biology Club? Well, to your surprise those were just a few of the undertakings this past year. It was the purpose of the club to get members acquainted with the Biology Department.

Early in the year the club toured the Museum of Natural History, which everyone thought was very interesting. Visiting Macalester College was next on the agenda. Members investigated the school facilities and attended classes in which they were interested. Students received much helpful information from this trip.

Guest speakers, interesting films, overnight trips, banding birds, and delicious dinners including frog legs and grasshoppers, were other programs and projects of the club.

Because of the increasing membership of the club and its activities, President Gail Kaiser, and the advisor, Mr. Wagner, can look back on another successful year.

"Noche de paz, noche de amor," could be heard throughout the school around Christmas time as the Spanish Club carollers sang the beautiful Spanish Christmas carols which they had learned as one of their projects for the year. Gaily decorated pinatas hanging from the ceiling lent an atmosphere of Old Spain to the festivities at the annual Christmas party.

Singing Spanish songs, studying Spanish culture, and trying to learn more about Spanish customs played a large part in creating in the students a real interest in their Spanish-speaking neighbors. Verbs and idioms became more interesting as they discovered the exciting background and history of the Spanish people, and learned how many of our neighbors to the South use the Spanish language.

Under the enthusiastic leadership of Mrs. Hunt, the Spanish Club always takes an active part in school affairs, entering a float in the Homecoming Parade each year, and usually walking off with a prize.

Because so many students were interested in Spanish this year, a club was organized in each of the Spanish classes. To make the work more interesting and effective, the groups all met together under the capable direction of Sue Textor, President. Maria Marques served as Vice-President, Karen Peterson as Secretary, and Eileen Kegler handled the monetary affairs.

Climbing rapidly in membership this year was the Bertha Gow Chapter of the FTA. Under the guidance of President Bill Brock, and advisors, Miss Anderson and Mr. Nelson, the club acquainted its members with their future occupation.

Films, pamphlets, and special speakers from various colleges were only a few of the many ways in which the students received a better insight into the qualifications and responsibilities that must be met by teachers.

Seniors of the club were given the opportunity to go into the Anoka schools to try their hand at teaching and see if they had the patience that is required.

This club has helped many students in deciding their future careers and has given them the knowledge and desire they need to become the teachers of tomorrow.

Youth for Christ

If you have ever been in the school on Wednesday mornings at 8:15, you may have heard choruses coming from the speech room, the meeting place of the Youth for Christ club. Other activities you may encounter at one of their meetings, might be a Bible quiz, a special speaker, or an interesting film.

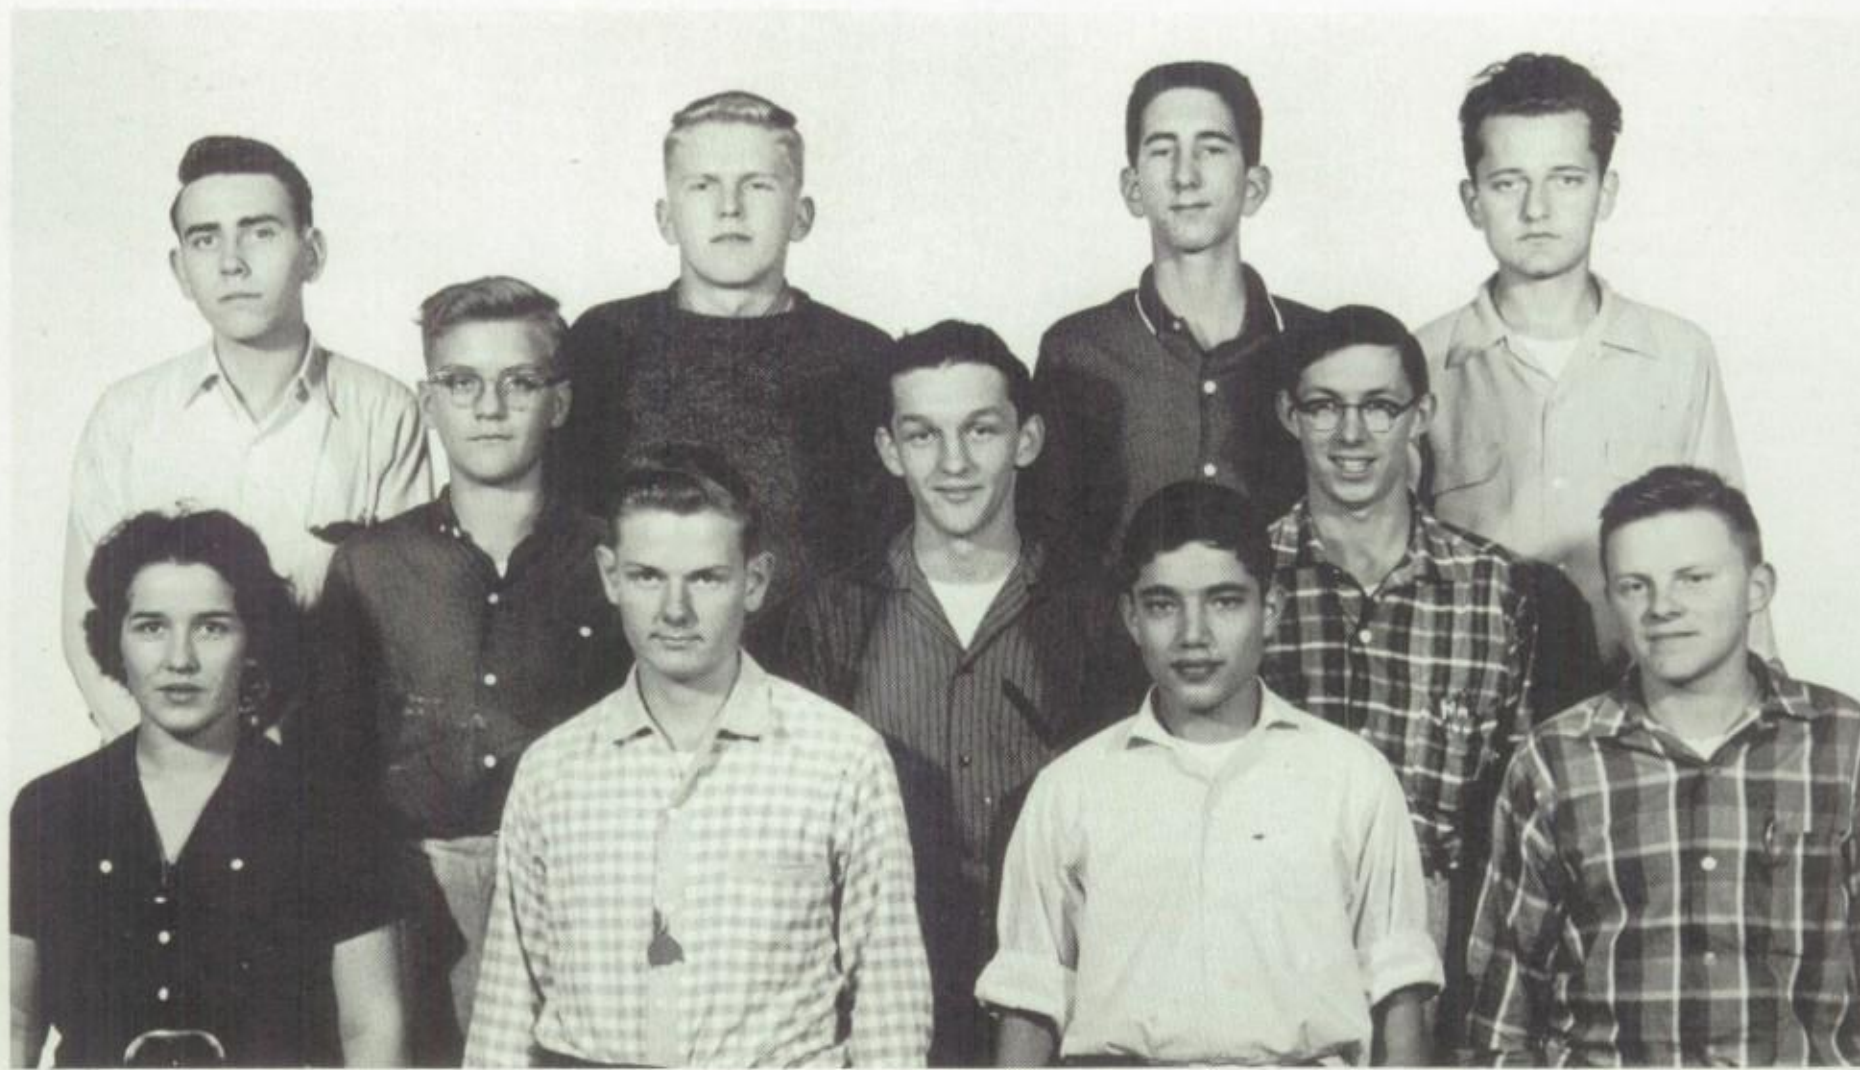

During the year, club members and their friends attended Youth for Christ rallies in Minneapolis on Saturday evenings. They also held many parties after some of the football and basketball games.

With the advice of Mr. Hochstetter, and Karen Erickson, President, the club promoted Christian fellowship.

Do you know what a First Day issue or a foreign cover is? If you were a member of the Stamp and Coin Club, you would have to know, otherwise you might fail one of Mr. Buehler's stamp knowledge quizzes.

If you would have gone to one of the Tuesday morning meetings in the shop office, you would have heard President Gary Petersen call the meeting to order. At their meetings the Stamp and Coin Club often had trading sessions where members could trade their valuable stamps and learn more about the various phases of stamp collecting.

Stamp collectors feel their hobby is worth while because it gives them knowledge of the world and fills many leisure hours.

If possibly during the month of October you saw some unfortunate boy doing push-ups and walking like a duck on the school lawn, you probably saw an initiate of F.F.A.

This club does more than initiate candidates all year because they took part in nine different judging contests at the district and regional levels and managed to qualify four judging teams for the state judging contest at the University farm last May. Also, in October of this year Dennis Killmer, Paul Buckholtz, and Kenny Slyzuk attended the thirty-first annual National FFA Convention at Kansas City, Missouri.

Charity for others was recognized as the chapter did something rather special this year. The boys raised \$57 for Easter Seals as an aid to build a better Camp Courage at Annandale, Minnesota.

The Christmas Tea held every year with the Library Club was one of the most important events of the Future Homemakers of America. As always, the girls put lots of time in on this project to produce a lovely tea for their mothers. Also, in an effort to increase their treasury fund, the girls held bake sales and sold ice cream.

The FHA meetings always got started with the creed, which you no doubt would have heard if you happened to be passing the Study Hall on Tuesdays after school.

The district meeting held at Long Lake this year was well represented by the Anoka Chapter. The girls received a small trophy for contributing the most to the camp fund.

Something new was tried this year. Members communicated by letter to other FHA members in many parts of Minnesota. By doing so they were able to learn how other FHA clubs held their meetings and organized money-making projects.

All in all the FHA club had a wonderful year under the leadership of President Rosemarie Palmer, and Miss Johnson, Advisor.

Library Club

Making the interesting and helpful library bulletin boards and keeping the library in shipshape condition were some of the achievements of the Library Club.

President Joyce Szyplinski, the other officers, the members, and their advisor, Miss Goodner, have given Anoka High a library to be proud of. Besides working at the desk, the girls took care of the many new books, magazines, and newspapers and tried their best to keep the card files in order.

The lighter side of the club's activities included a silver tea which was given at Christmas time for the mothers and teachers of the members. This was one of the most important social events of the year.

The last event to wind up the year was the annual picnic, which was enjoyed by all.

Young Republicans

Treasurer, Margie Wojciechowski; Vice-President, Meredith Petersen.

This new club has been organized for the purpose of building interest in government and to acquaint young people with their local, state, and federal officers. In later years, these young people will be active, intelligent citizens, able to vote wisely, which is an important step in our lives. To achieve this goal, members heard many speakers and tried to help out their party.

The officers, Georgia Wellberg, President; Meredith Petersen, Vice-President; Kay Jarnig, Secretary; and Margie Wojciechowski, Treasurer, along with their capable advisor, Mr. Hass, helped draft the Constitution, which was their major job this year.

The year was thought a success except for the outcome of the fall elections.

Chairwoman, Pat Foster; Secretary, Leslie Hoel;
Chairman, Tom Heie; Vice-President, Linda Merhiy;
Treasurer, Mary Carlson.

Campaigning with signs and buttons around election time was part of the activities that the YDFL club actively participated in this past year. Many of these young Democrats had the opportunity to meet and speak with important state and local officials at the DFL rally held early in the year.

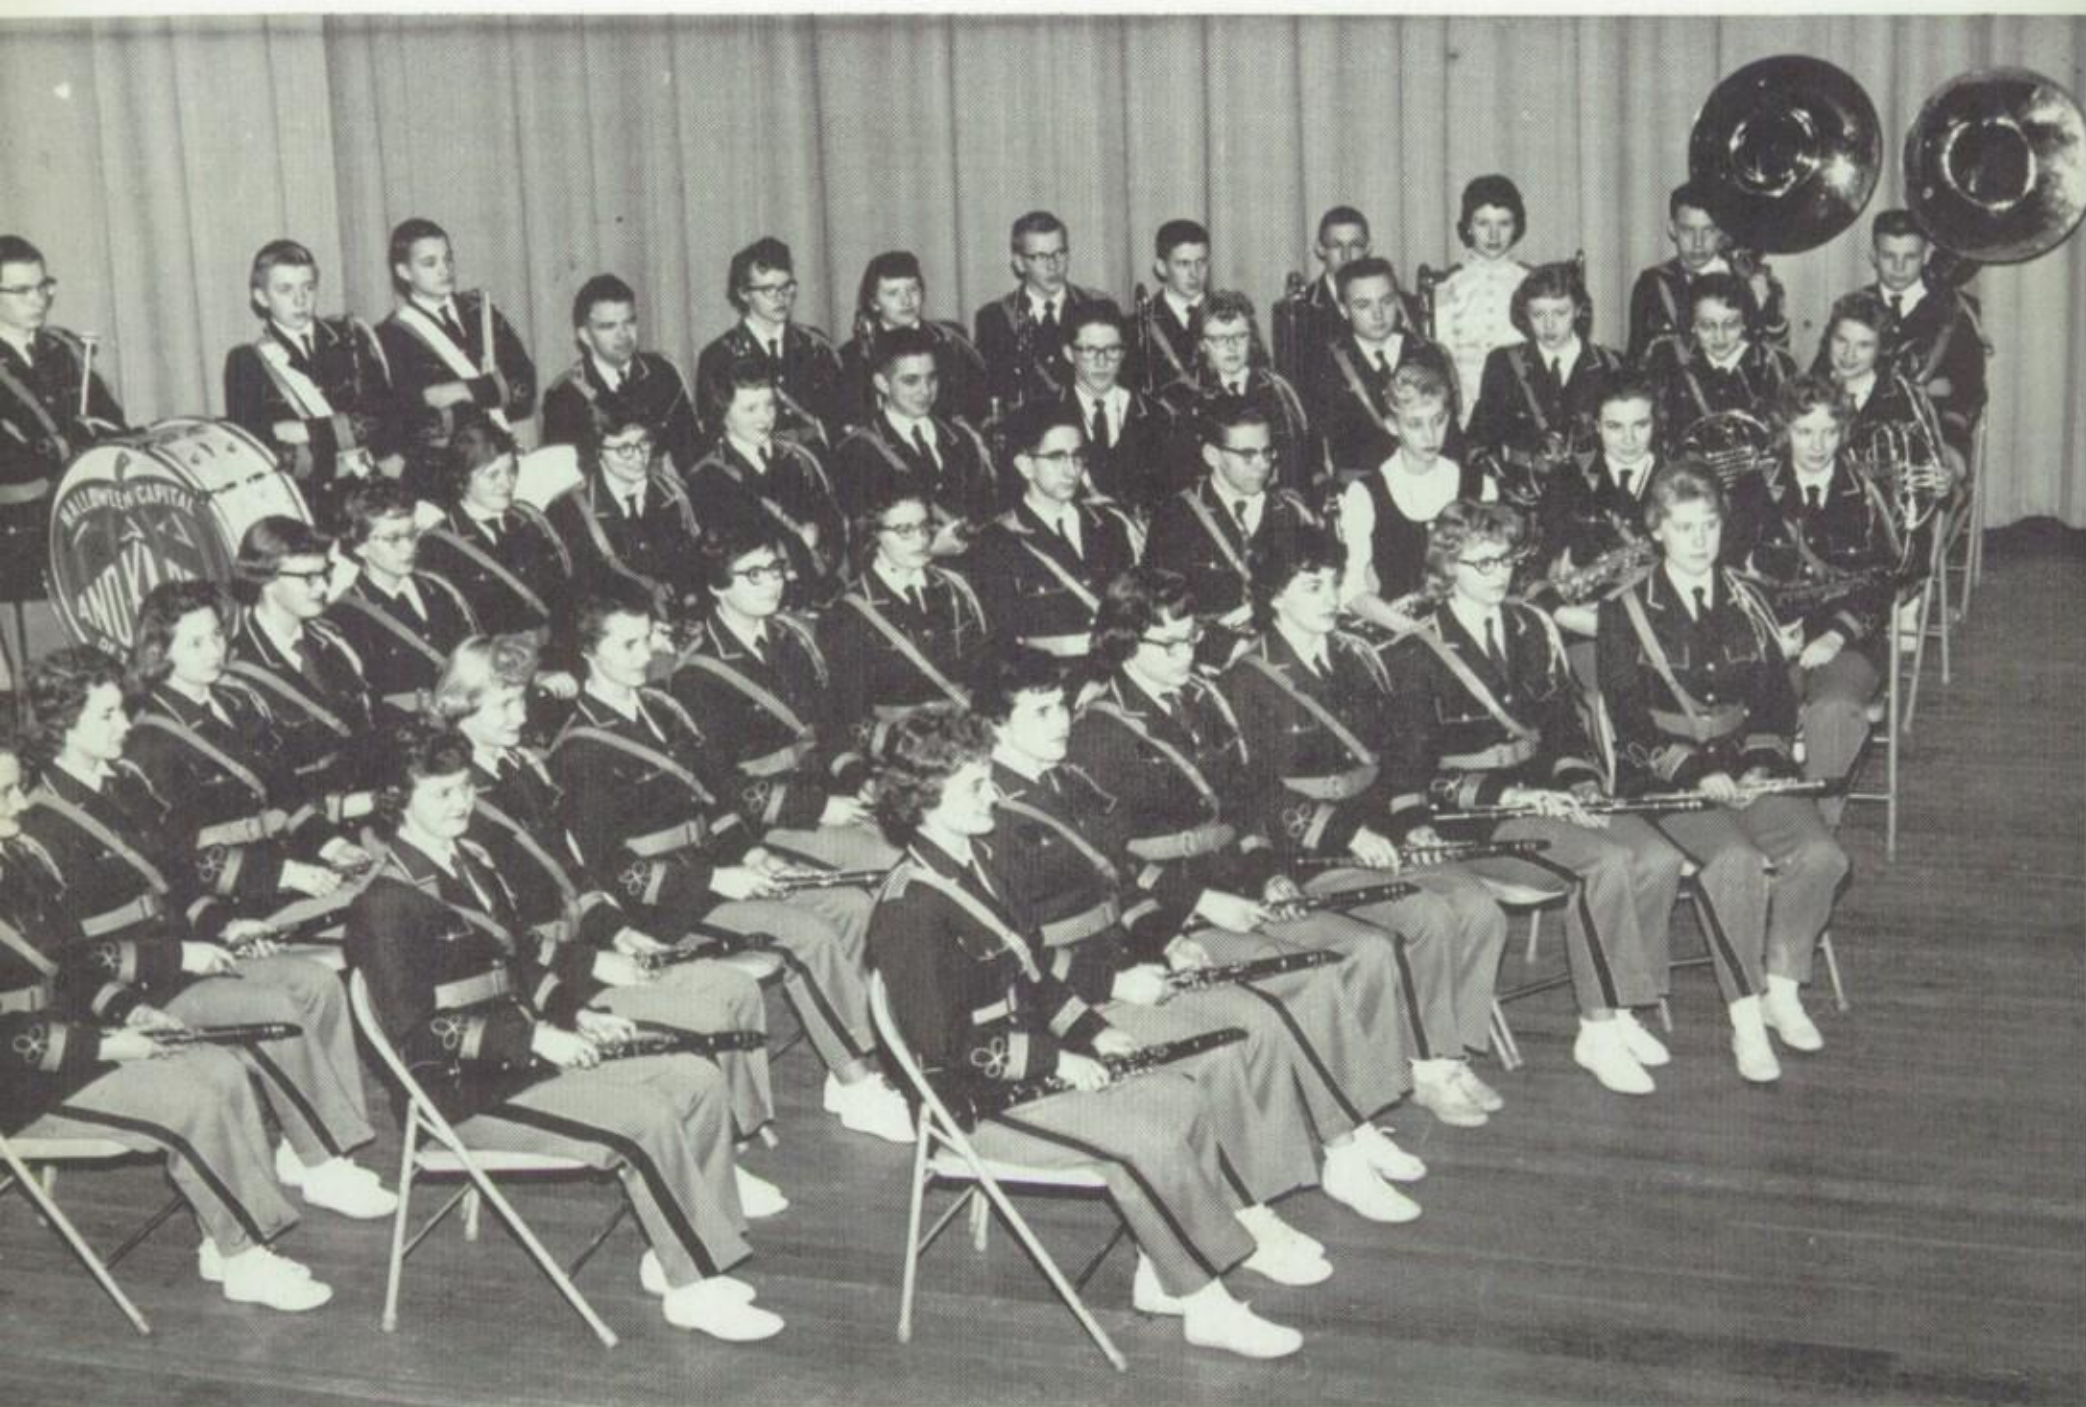

Members of this club, led by Chairwoman Pat Foster, attained a broader view of governmental problems through meetings, discussions, guest speakers, and many interesting films.

Everyone in the club obtained a greater understanding of governmental affairs and became a better, all-around, active citizen. Much of this success can be attributed to their advisor, Mr. Bell.

The band's "cutest couple," Julie Moore and Allan Duerr, prepare to march with the Ka-Dets, Anoka's summer marching unit.

"BAND! AT-TEN-TION!" These are familiar words to all band members during marching season. Leading the band through their successful season this past year was drum major-ette, Marianne Winter, preceded by the two perky baton twirlers, Jo Madson and Butch Cass.

Much time and effort went into each half-time show. Formations had to be figured out and then practiced many times, but even then there was still someone who wondered, "Where do I go next?"

"Pick up your feet!" was another favorite expression of the seniors who liked to show their superiority by yelling at the sophomores.

Winning a home football game meant fun to every band member. They were seen doing a snake dance in the center of the field after the game with their hats on backwards. Crazy kids? Maybe, but this was just their way of celebrating the victory. Marching in the Halloween Parade ended the '58 marching season with a big success.

Anybody interested in buying a magazine? You probably heard this if you came in contact with a band member during their annual magazine drive, which helped increase their funds. This year's band broke all other records with sales totaling more than \$3,900.

Next on the agenda was concert season. Many hours of practice were necessary in preparation for the district music contest. Also, many ensembles and soloists received A's in the district and then went on to state where they ably represented Anoka.

Adding spirit at the basketball games was another assignment for the band, but sometimes the members would get overly enthusiastic and feel they might go flying off the band loft onto a cheerleader or just the plain, hard floor.

For many seniors, being a member of the band has meant many happy experiences they will always remember.

With Miss Ruth Hallenberg expertly directing them, the chorus again this year spent an outstanding year and through their fine performances imparted enjoyment to many. Many hours of hard work were spent in preparing for these concerts. Besides learning and perfecting the numbers, members of the chorus went through daily warm-up exercises to enable them to sing in tune. They found, with a little reminding from Miss Hallenberg, that having a smile on their faces also helped them to sing in tune.

When the Christmas spirit filled the air the chorus room was full of excitement. The chorus presented their annual Christmas concert, singing the well-loved traditional carols, as well as a group of religious songs. There were also selections by the mixed ensemble, the girls' ensemble, the boys' ensemble, and soloists.

The members were busily getting ready for the music contests. Besides the soloists that were picked in local eliminations, the ensembles all participated. In Anoka's fine music tradition they received excellent ratings. The massed chorus, held in Cambridge, was a fine production, besides being a lot of fun.

The spring concert came around again with all the girls dressed in pretty pastel formals, and the boys in their neat-looking suits. They sang both sacred and light-hearted songs. This for the chorus members was the start of spring.

Presenting their last performance of the year at the Baccalaureate services provided the last step in the singing of the senior members of the chorus. Not only the seniors, but **all** the chorus members can look back on a year of fine accomplishments.

Orchestra

Mr. Kenneth Davenport - Director

This year an orchestra under the direction of Mr. Kenneth Davenport was added to the music department of Anoka High School. The orchestra, composed of about 35 members, most of whom were sophomores, performed at many various community affairs throughout the year.

The orchestra began the year with just strings by playing chamber music for the P.T.A. As the year progressed, the various brass and woodwinds of the band were added; and the orchestra again played on the program for the P.T.A. They were entertained by the Kiwanis and furnished music at other banquets during the year.

In the spring they presented their first concert. They also went to the district music festival, and as the only orchestra in the district, they were able to go to the state music festival. They accompanied choral groups in the city and ended their year by playing for Baccalaureate.

Even as a new organization the orchestra can look back on a very successful year. They have had many ups and downs but have improved themselves very much. With all but one member coming back next year, they can profit from all that has happened and look forward to much future success. Thus, a new step has been added in Anoka's music department.

The Business Managers, Mae Dorholt and Tom Lahn, are busily adding to their resources, while the Editors, Judy Peterson and Carol Erickson, are putting the finishing touches on the annual.

Seen those two girls with the worried looks? Well, if you have, you know these were the co-editors of the ANOKAN trying to meet one of their deadlines. At times, it would have been simpler to have put up beds for the nights in the school! Those deadlines came so quickly! A feeling of relief was always felt when the copy was handed to the publishers.

In the fall, committees were formed and given assignments. Finding out the activities of all the Seniors, gathering information about the clubs, and then typing it all up were some of the duties of the staff.

MONEY is a big problem to everyone and especially to the business managers, Tess Dorholt and Tom Lahn. They were always selling something, whether it was popcorn at the concession stands, subscriptions, or ads to the local businessmen.

During the whole year of planning and putting the annual out, the editors welcomed the advice of their advisor, Mr. Carroll Johnson, who often helped calm frayed nerves.

But at the end of the year when the ANOKANS were issued, the staff forgot all the headaches and remembered only the good times and sense of pride they felt toward a job well done.

Anokahi

"Extra, Extra . . . Nine big issues this year . . . only one more day to buy . . . support your school paper!" These were familiar slogans last fall when the subscription drive was in full swing.

In September, the Junior "cub" reporters got the lowdown on writing articles and selling ads. Meanwhile, the Senior "ace" reporters put together the first issue and wished they could remember all the techniques that Mr. Hochstetter, their advisor, had taught them last year.

To the majority of the student body, it seemed as though the paper came out monthly with no mishaps, but Marilyn Johnson and Janie Bauer, the co-editors, can remember some problems that often arose.

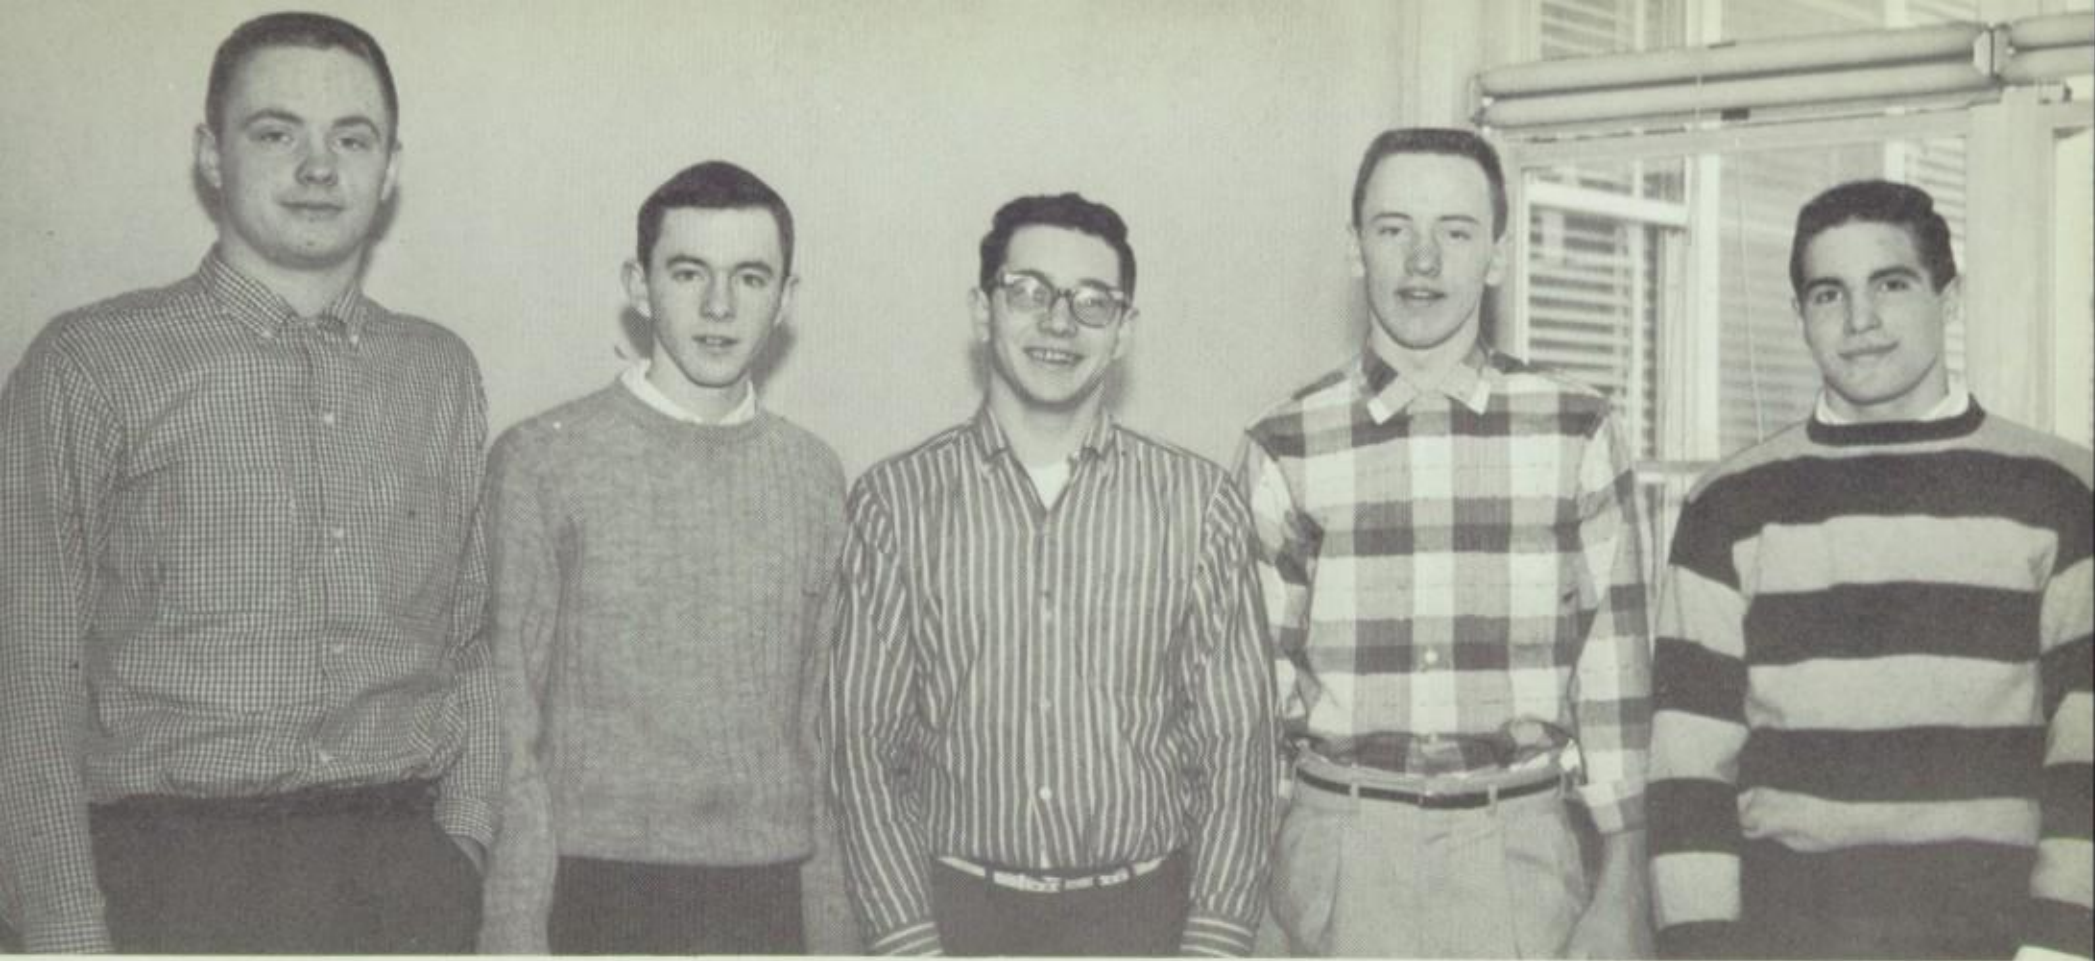

The journalism bulletin always held interesting "info" for the ANOKAHI workers. There were the inspiring notices about spring advertising that Anne Ward, the business manager, posted for the business staff. There were occasional notes of thanks from the editors and sometimes even "threats" aimed at reporters who had a habit of missing deadlines.

One day the bulletin board displayed a strange list of Senior staff members under the headings of candies, cookies, brownies, and cupcakes. This had nothing to do with journalistic terms or nicknames, but rather with the bake sale. The ANOKAHI sponsored the sale in March and the proceeds went for financing their field trip.

Looking back over the year, the ANOKAHI staff will always remember the excitement of the days when each issue came out and the feeling of relief, satisfaction, and accomplishment that came with it.

Thespians

Project! Upstage hand! Have those lines set tomorrow! Few steps downstage!

These are just a few of the many expressions you might hear if you walked onstage during a Thespian play rehearsal.

The Thespians have financed two plays this year. "Snow White and the Seven Dwarfs" was produced in November. This play was based on the children's fairy tale of the same name. An excellent cast was headed by Judy Peterson, Witch Hex; Joanie Bauer, Queen Brangomar; Pete Benzian, Prince Charming; Marilyn Johnson, Snow White. Other principle members of the cast were Jeff Hoag and Allan Duerr.

The "Thespers" also did some extra play work around the holidays. Several one-act Christmas plays were put on for entertainment for various Anoka organizations. Also, a one-act play was directed by Jim Kern, a student teacher from St. Cloud State.

Thespians are also experienced make-up artists, electricians, and painters.

Plays, however, are not the only thing Thespians support. They also are active in the State High School League Speech Contest. Anoka placed 15 superior ratings in the sub-district. Superiors were awarded in the humorous, manuscript, extemporaneous, discussion, pantomime and memorized oratory.

Of course, all this work could not have been accomplished without the assistance of Lavona Person, club sponsor.

"Oh, I just know I forgot something!" These were familiar words to the debaters as they set out on one of their debate tournaments. These trips took them to many places such as Fargo-Moorhead, St. Cloud, Mankato, Macalester, Duluth, Denfield, and St. Olaf.

The first team consisting of Chris Jacobson, Corinne Guntzel, Doug Rainbow, and Will Peterson helped bring success to the debate club.

This year a new tournament was started called the "Round Robin". All the sophomores attended this meet, which included the cities of Cambridge, Mora, Princeton, Spring Lake Park, Fridley and Anoka. To insure the championship of this tournament. Mr. Jacobson sent Vivian Jett, Terri Woodward, Chuck McKusick, and Tom Price.

At Hamline the Debate Club took second place, and at Gustavus Adolphus Tom Price and Chuck McKusick received Speaking awards. In the Region 4 tournaments they took second place, to wind up a very successful year under the direction of Mr. Jacobson.

American Field Service

Sue Textor, Asif Beg, Miss Melby, Leeds Cutter, and Maria Marquês talk over all their wonderful experiences which were made possible by the Foreign Exchange Program.

The American Field Service has provided an opportunity for many students of the United States and foreign countries to learn about other lands and their people and, most important, to promote good fellowship throughout the world.

Anoka High welcomed two AFS students to our school this year. Entering early in the fall were Asif Beg, from Pakistan, better known as "Ace", and Maria Marques, from Lisbon, Portugal. Both of them had to adjust to the students' way of speaking, especially their use of slang terms and their ability to speak in rapid speed. But it took them only a short time to finally figure this out.

By this time Anoka's own representatives were arriving home after long summers abroad. They were Leeds Cutter, who had traveled to Italy, and Sue Textor, who had spent the summer in Turkey.

All four of these had the thrill of speaking to the students at the AFS assembly. Much was learned of activities in the schools in other parts of the world. Filmstrips also showed highlights of their trips.

To raise funds for the AFS the Third Annual Car Wash was held, sponsored by the Student Council. It was a success and helped fill the "kitty".

Students, especially seniors, at Anoka, will never forget their friendly AFS students who helped make their year brighter.

Film Operators

What do members of the Film Operators Club do? Some students think they only run the projector for films in the audio-visual room and enjoy themselves watching the movies.

But aside from this, the members also have charge of the public address system at the pep fests and the assemblies. They have the job of making the "mike" run in good order.

These boys have a big role to play. Their success each year can be attributed to their advisor, Mr. Stimmler, who has given them expert advice and valuable information.

Gerald Peltzer and Dave Carroll are setting up the movie projector, one of the main duties of a film operator.

The "A" club in Anoka High School has been organized to join together the various school sports and to promote school spirit. The trademark of each "A" club member is his distinguished looking jacket. Membership is gained when a boy earns a letter in one or more sports.

The boys have been busy all year long by sponsoring the Football Homecoming Dance, producing the Winter Homecoming booklet, and along with the G.A.A., helping to organize Arthur Murray dancing lessons.

"A" Squad Football

Coach Stan Nelson, Co-captains Dick Watson and Duane Blaska, and Assistant Coach Wayne Deitz.

The team that greeted Coach Stan Nelson at the opening of the football season was filled with experienced backs, but had few linemen with actual playing experience. They quickly improved, however, and won the second straight game 40-0 over Ramsey. According to Coach Nelson, it was "the best game of the season." After losing two games to the Packers and Mustangs — the only losses of the season — the "Men of Nelson" really settled down and played ball.

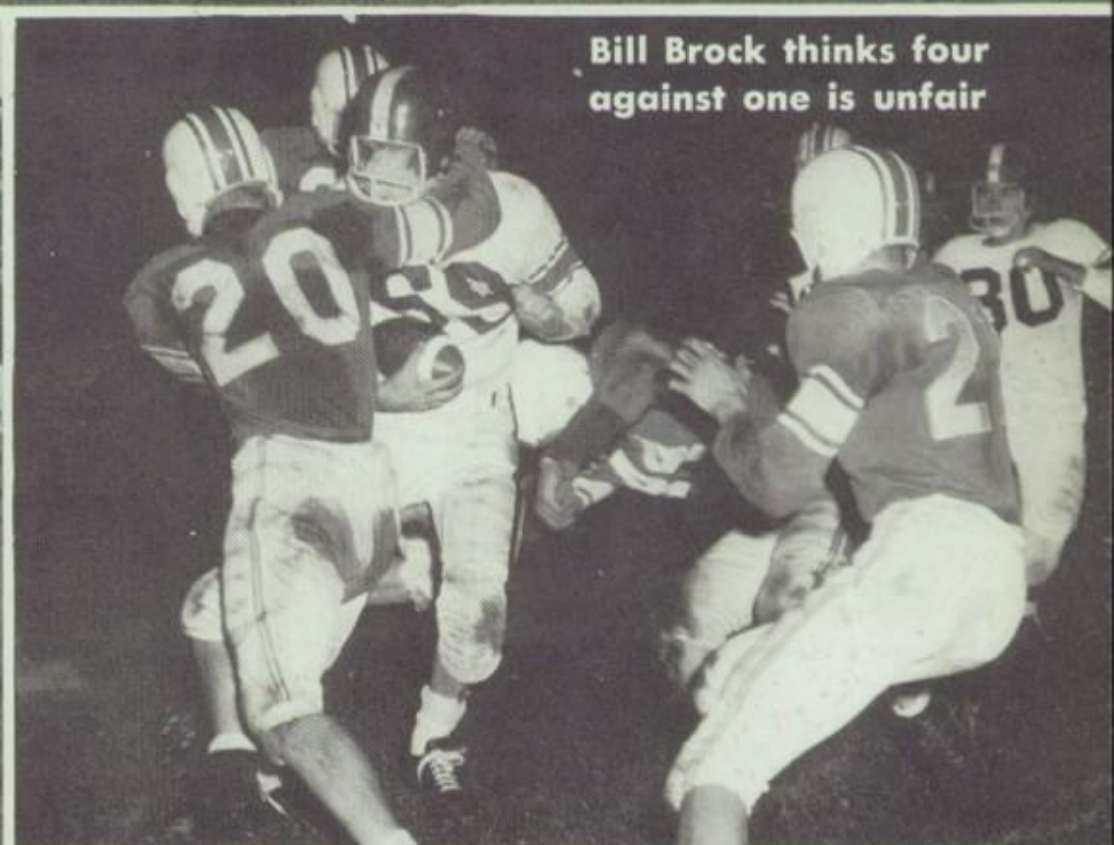

Coach Nelson is especially proud of the defensive record of the team. Only twice during the season was more than one touchdown scored against the team, and the Tornadoes completely shut out three teams.

Duane Blaska, probably the best player in the Conference, was named All-State. Dave Castle and Alex Springer were both rewarded by being named to the All-Conference squad. Senior tackles Bob Tufford and Chris Wagner, and junior fullback Dale Meyer were on the All-Conference Honorable Mention list.

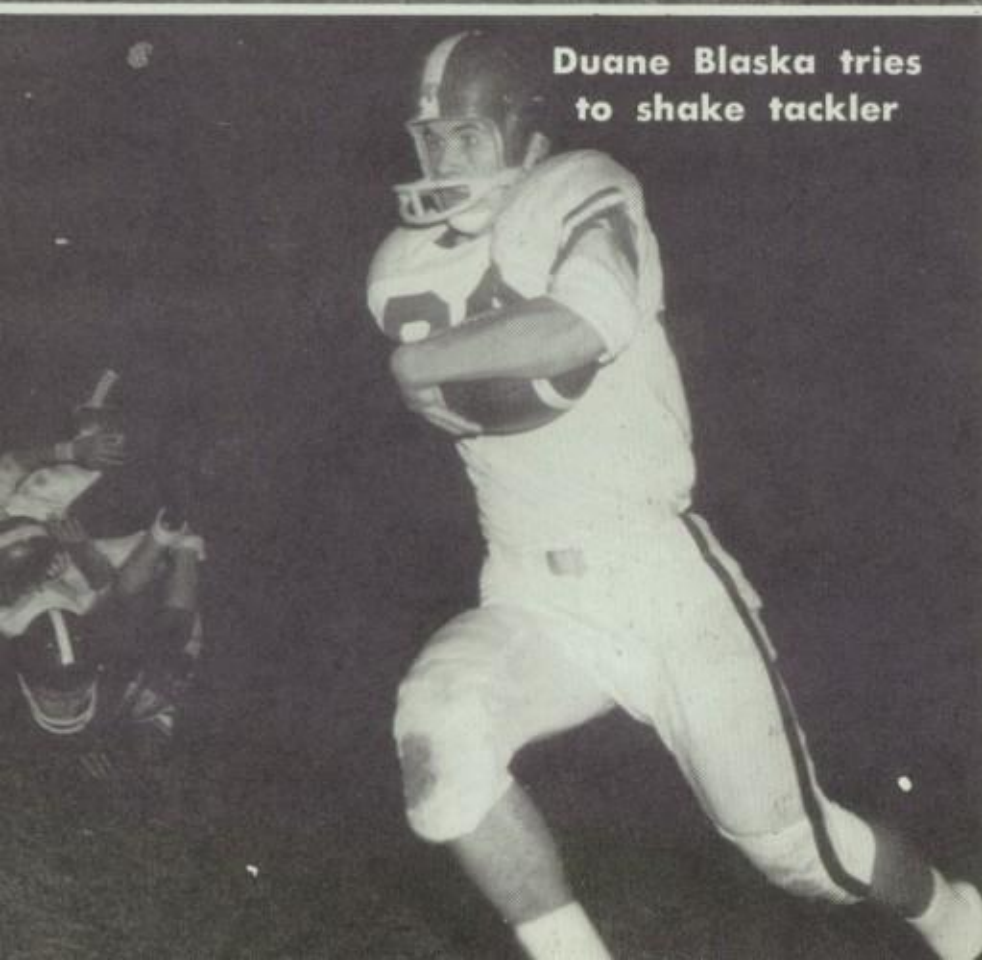

All in all, the Tornadoes produced an excellent record of seven victories and two defeats, which tied them with Moundsview for second place in the Suburban Conference.

The young scrappers that kept the varsity fighting for their positions made up the "B" squad football team. They were out on the field pushing constantly under the hot sun, looking forward to the day when they could participate under the lights while the band played and the crowd roared, leading the team to victory.

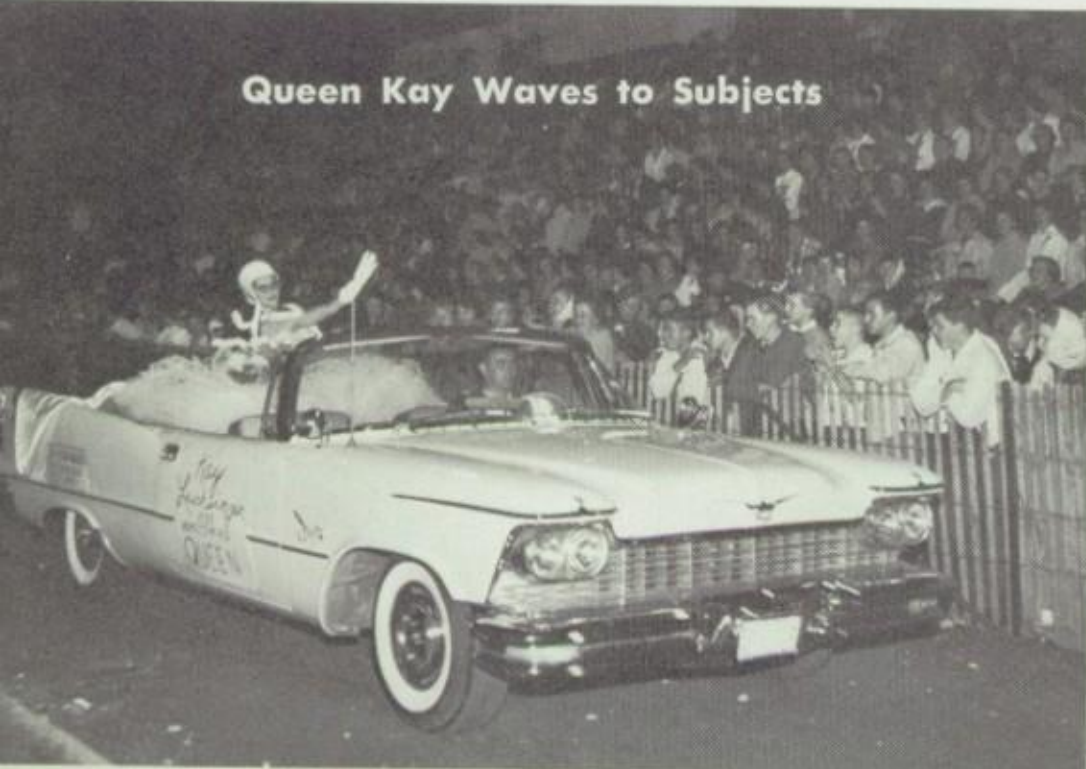

The biggest hi-light of the year took place in the game with Ramsey. With only forty seconds left to go, Ronald Kinney threw a spectacular pass down field to Art Thompson who caught it and was downed on the one-yard line. Gary Beckman, with a very clever quarter-back sneak, plowed his way across the goal line for a victory touchdown.

The boys that deserve a big "back-slapping" are Gary Beckman, Art Thompson, Gary Blanski, John Rajala, and Gary Strand. These boys, with the help of others, showed a lot of schools what a determined, "never-die" team can do. If these boys continue to develop and improve, Anoka should have a very excellent varsity team in years to come.

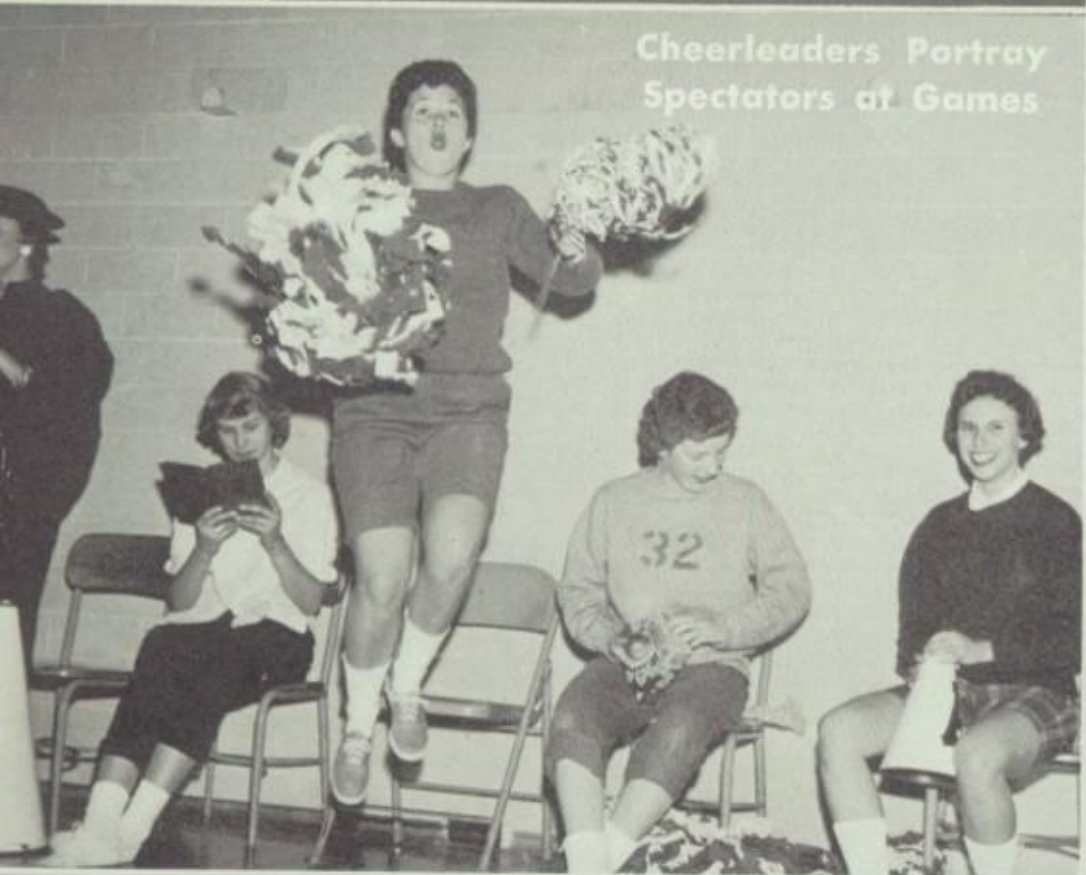

A lot of recognition is due our two coaches, Mr. Carlson and Mr. Perovich, for making a strong team out of what appeared to be nothing at the beginning of the season. A few of the boys were experienced, but most of them hadn't played much football before. The record of four wins, one loss, and one tie shows what a lot of patience, hard work, and sweat can accomplish.

Autumn leaves and a giant football wearing a golden crown and bearing the letters "'58 HOMECOMING" made a perfect background for the 1958 Football Homecoming Royalty. John Tammi, Master of Ceremonies, began the program by announcing the attendants as they entered escorted by Jim Kari, Dave Meister, Alex Springer, Chris Wagner, Dave Castle, and Bob Tufford. Then, in a swirl of regal maroon robe, Queen Kay Luchsinger and her trainbearers, Jimmie Luchsinger and Lisa Dreisbach, proceeded down the aisle. A fanfare then heralded the lovely Queen as she knelt to receive her official title. Co-captain Duane Blaska crowned and escorted her to the throne, and Bill Brock presented Her Majesty with a bouquet plus a kiss. After Leeds Cutter gave an amusing account of the Queen's history, Judy Peterson sang the Queen's favorite song, "You'll Never Walk Alone." The cheerleaders then gave the audience an idea of how the crowd looks to them. Anoka High School's own rock 'n' roll king, Al Hyatt and his "Black Slacks" entertained the audience with a hilarious skit. Guest speaker, Chuck Weaver, and Mr. Bye gave suitable speeches and the homecoming coronation assembly was ended with a VICTORY yell.

Homecoming ceremonies then continued with the afternoon parade. Leading the way with peppy marches and new varied formations was the band. Next rode Queen Kay and her attendants, followed by all the floats.

During the half-time celebration at the game that night, the band divided into two lines to form the traditional "royal pathway." Then as band director Morris Johnson escorted Queen Kay across the field, each band member honored her by placing his cap at her feet.

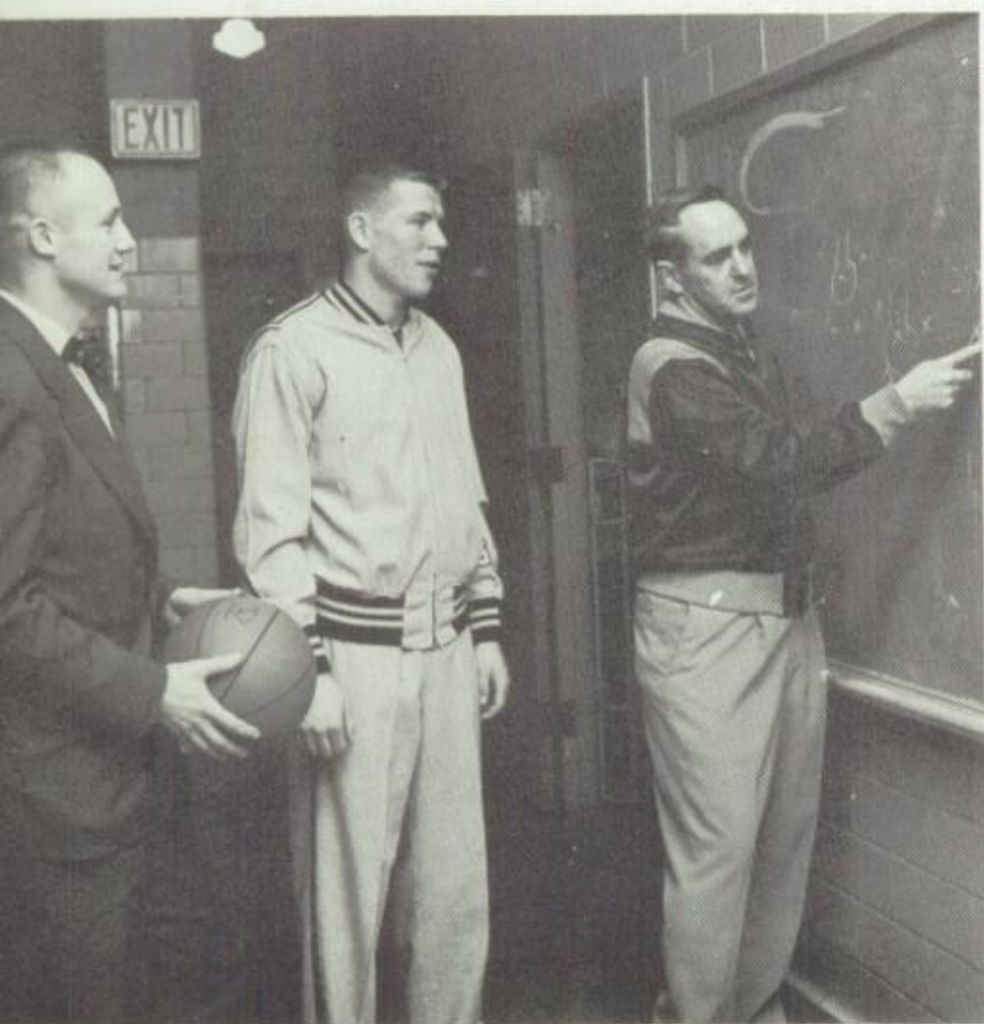

The dreamy music of Johnny Reynolds' band at the dance topped off the day perfectly for Queen Kay, her Royal Court, and for the students and alumni of Anoka High School.

"A" Squad Basketball

Bill Wanamaker, Duane Blaska, and Jack Campbell are going over a few last minute details.

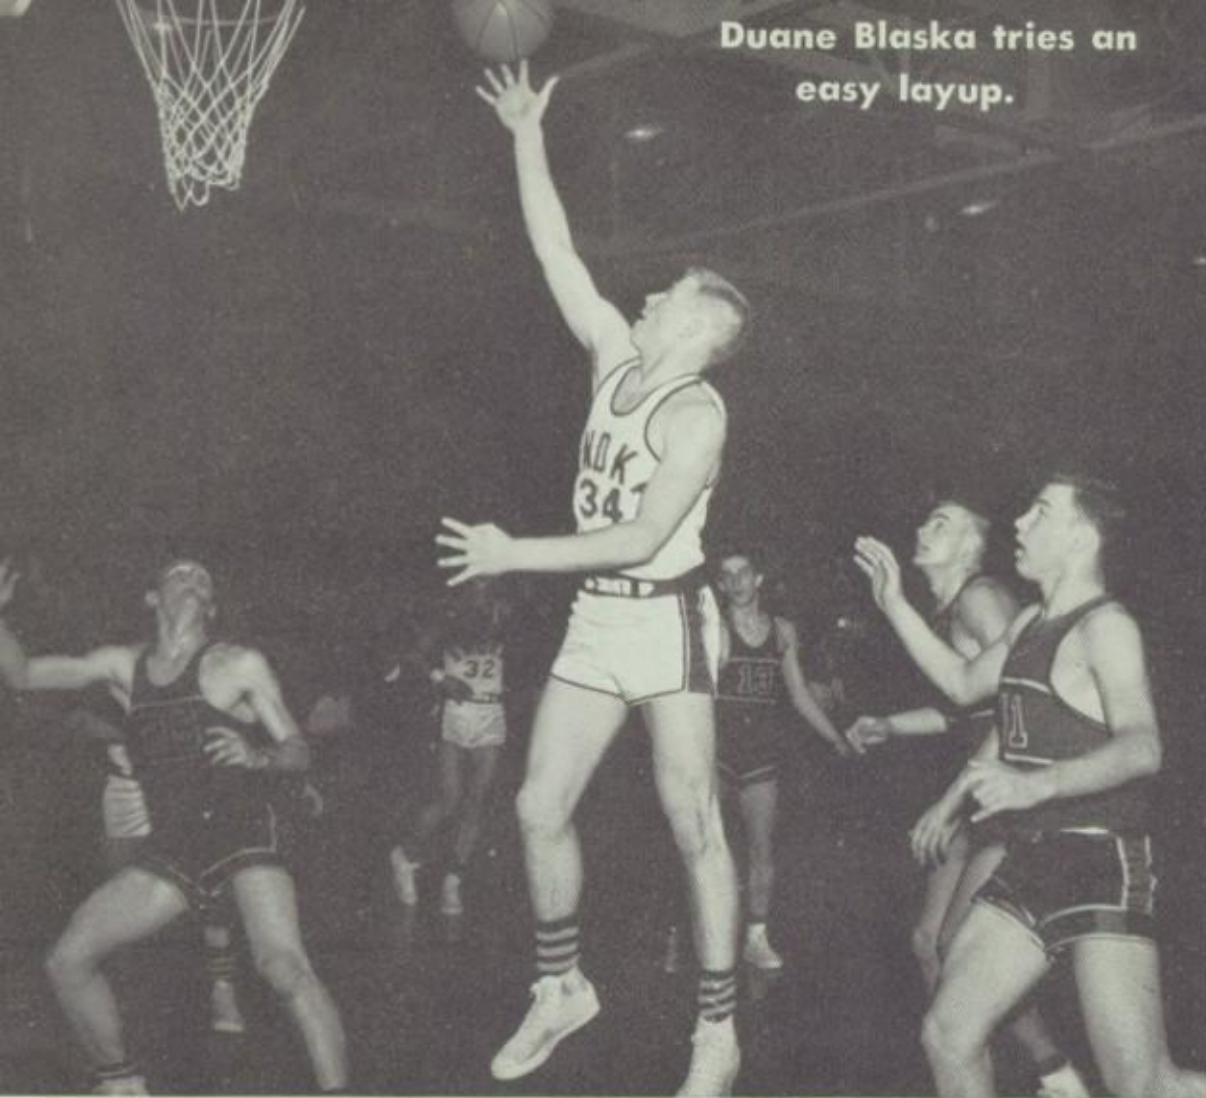

Two games marked the high spots of the season for the Tornadoes. One was the victory over West St. Paul in the Homecoming game. The Tornadoes, playing their best game of the season, beat the Warriors by twenty-one points.

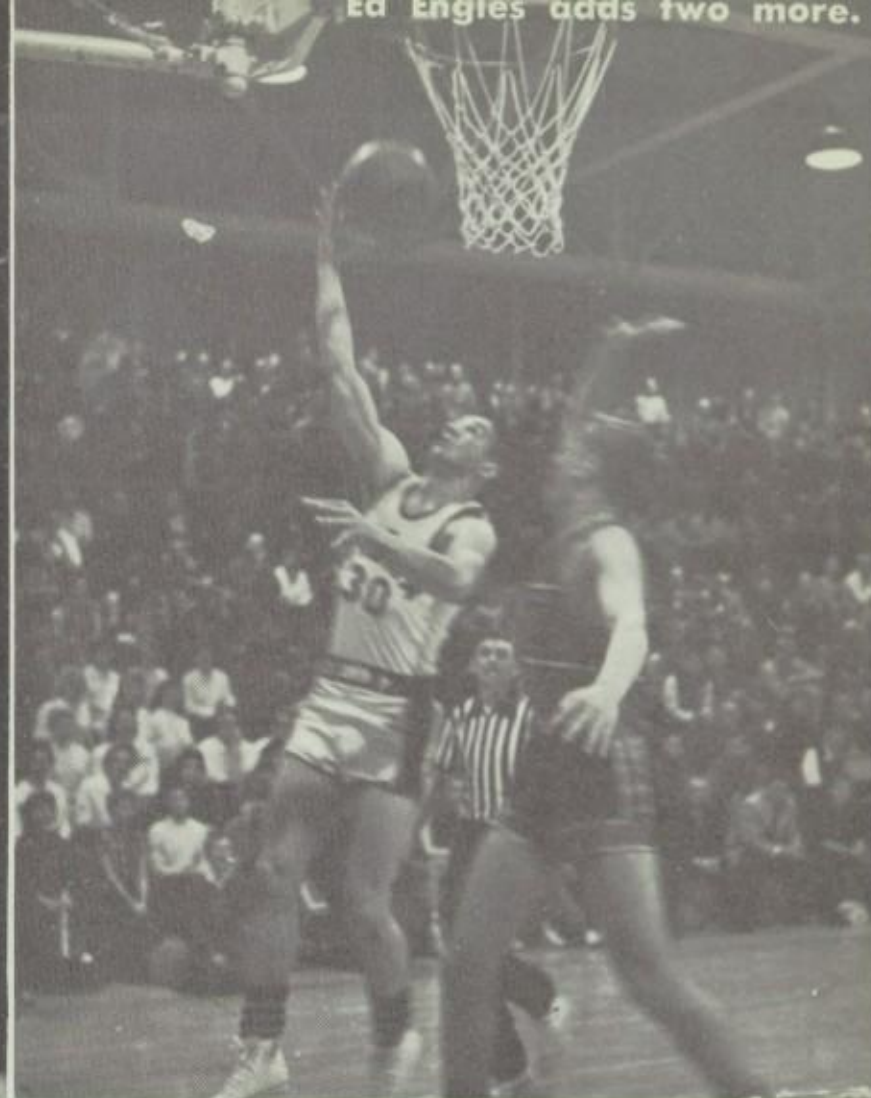

The other big win for the Tornadoes this year was over Spring Lake Park in the District Tournament. Spring Lake Park had been beaten only once, but the Tornadoes went into this game with the same terrific desire that helped them win against West St. Paul. At halftime Anoka trailed by six, but with four minutes left in the game, Anoka tied the score. Then Dick Watson came into the game, took four shots, and scored on all four to give Anoka a victory of 55-53 in one of the most exciting games Anoka fans have ever seen.

But Anoka had its troubles too. At South St. Paul they lost by twenty-eight points, playing their worst game in four years. Against Region Four Champions North St. Paul, the Tornadoes played very poorly. The Tornadoes' season was ended with a loss to Mora in the District finals.

Congratulations to Coaches Jack Campbell and Bill Wanamaker, and the entire team, on a fine season.

The Anoka Senior High School "B" squad basketball team, coached by Mr. Bill Wanamaker, had a final record of 13 wins and 5 losses. The team finished the season by winning their last seven games. They also won 10 out of 14 conference plays and 3 out of 4 non-conference plays. The team brought thrills to the crowd when they won two of their games in overtimes. The big gun for the all-sophomore team was Jim Erickson, with a season's scoring total of 208 points, coming within 4 points of the record set by Bill Brock three years ago. Jim averaged 12 points per game. The top scorers for the "B" team were Jim Erickson, Dennis Hovet, and Gary Strand, each finishing with a total of over 100 points. Other helps to the team were Dave Hartfiel, Ron Kinney, Larry Baufield, and Don Martin. Some of these boys will see action next year because only three juniors will be returning to the "A" squad. One thing that deserves mentioning is the fact that the team was undefeated on their home court.

The annual pep fest held to announce the new 1959 Winter Homecoming Royalty finally arrived. The results of the balloting were safely enclosed in balloons suspended near the gym ceiling. Mr. Campbell asked the cheerleaders to assist the escorts in selecting the proper balloons containing the names of the Royalty. This began the excitement that precedes all homecomings.

The date of the coronation finally arrived. As the excited student body entered the auditorium, they became aware of the homecoming decorations. The silver lettering, "1959 Homecoming", was suspended over two wintry-looking penguins.

As the traditional "Pomp and Circumstance" was played by the band, a hush fell over the audience as they awaited the entrance of the Royalty. Escorted by Dave Castle, Chris Wagner, Jim Peterson, Bill Matthews, Allan Duerr, and Greg Edwards, the attendants entered the auditorium followed by Their Majesties, Janice Anderson and Bill Brock. The Queen's princess was Marsha Rubis, and the little prince was Steven Blewett.

The program began with Tom Lahn reading the Queen's history and Pat Foster reading the King's. Steve Schenk and Lincoln Berry presented the King's and Queen's favorite songs. After Mr. Bye gave a welcoming speech to the alumni, the guest speaker, Gerald Bryan, spoke to the student body. Next, a Barber Shop Sextet was portrayed by the basketball cheerleaders. Then Mae Dorholt, with the assistance of Dick Olson, did a pantomime to "Honey Bun!" from the Broadway musical, "South Pacific."

The Winter Homecoming dance, held after one of the most victorious games of the year, brought to a close a wonderful day of excitement.

Ken Kost and Rodney Wilson (LEFT) and Bruce Adams and Grant Nelson (RIGHT) demonstrate how Anoka won the State Championship.

In 1958, Garth Lappin, giving up only the coaching angle of wrestling, was replaced by our new coach, Ron Malcolm. Under his excellent coaching, the Anoka wrestling team scooped up the fourth State Wrestling Championship in ten years.

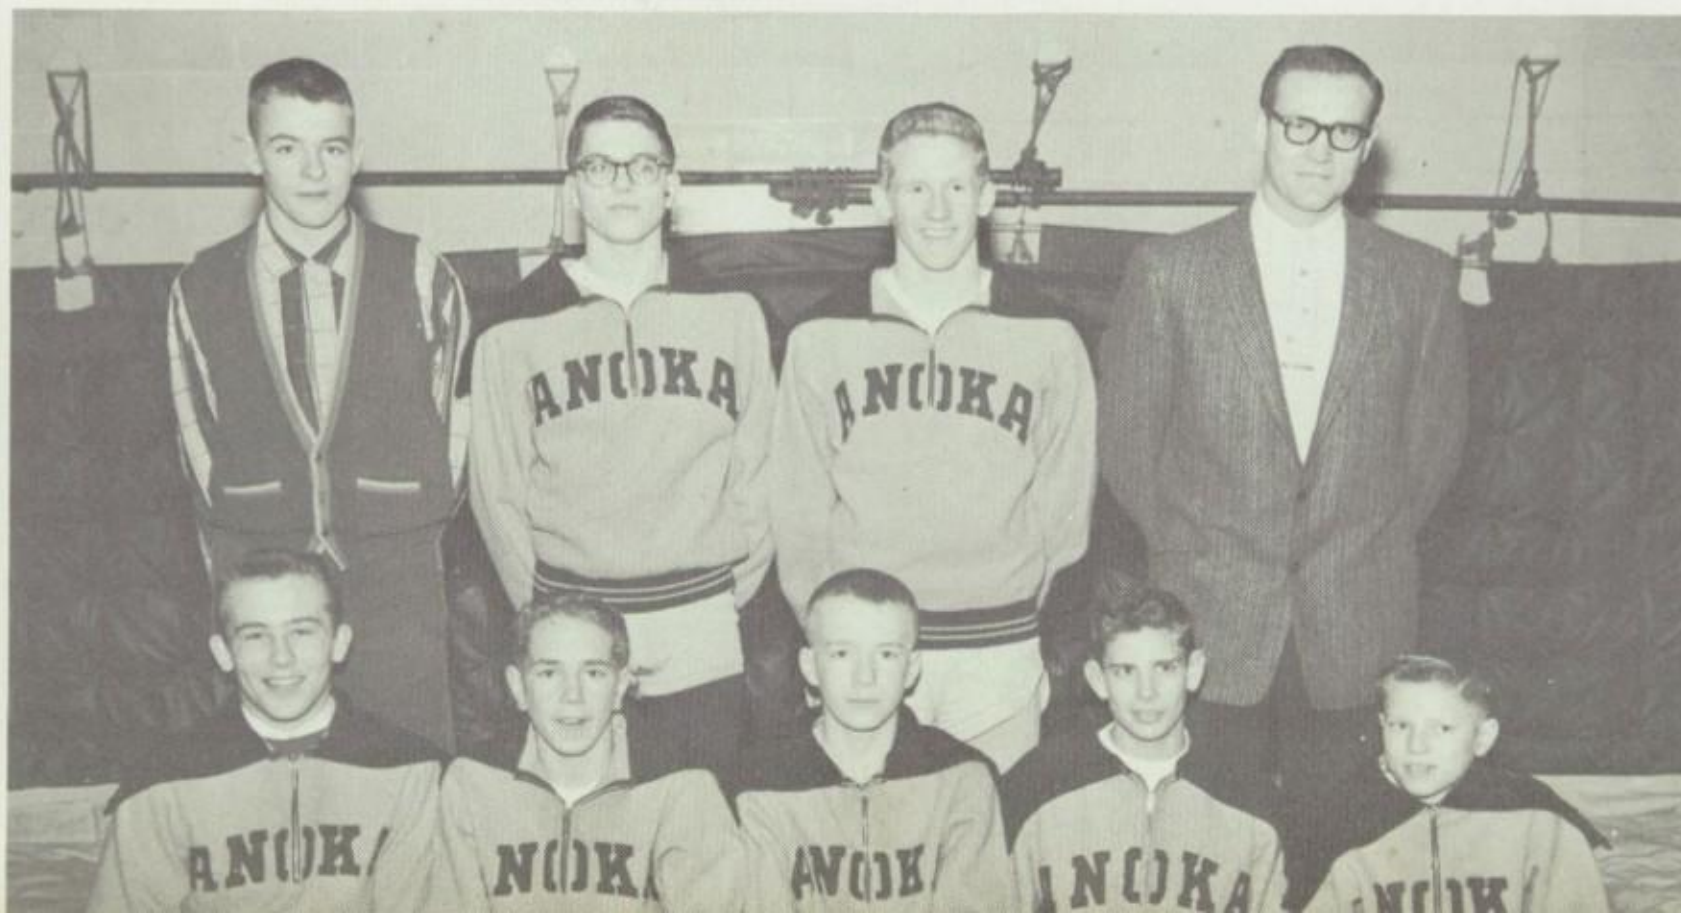

Twelve years ago, at Anoka High, the wrestling sport was a mere seed. In growth the seed was nourished by fine coaching, self discipline, strict training, top physical conditioning, and in 1959, according to Coach Malcolm, **DESIRE**.

The year 1959 at Anoka is one of great achievement as far as the wrestling team is concerned. Starting the season with a win over North St. Paul, the grapplers were upset by Robbinsdale in a very close match. Eight wins in a row redeemed the Tornadoes, but another close match with Alexander Ramsey proved fatal. As a result the conference championship was lost. Coming back to win four matches, including a rematch with Robbinsdale, the "Men of Malcolm" faced the tournament time with a 15-2 record.

The payoff for the year's work started by soundly taking the District 16 Championship. The seven champion wrestlers that represented Anoka at state, went on to take the Region 4 championship placing. These were Bill Owen, Grant Nelson, Bruce Adams, Ralph Breyen, Rodney Wilson, Ken Kost, and Chris Wagner. Out of twenty State tournament matches, Anoka competed in 16 and was victorious. Four individual champions and one third place gave Anoka its 58 points to out-score the nearest rival, Mankato, which had 49 points.

Truly, we are proud of the desire and fight displayed by our wrestlers, and the title and trophy they brought home to us.

Hockey

John Tammi, Gary Beckman, and Dave Hyllengren.

The 1958-59 school year marked the seventh consecutive season of competition in the Suburban Conference for the Anoka hockey team. The team completed the season in the sixth place with a win-loss record of 10-13. Mr. Alley considered this year's team as one of the best he has coached at Anoka.

This year's team was led by Co-captains John Tammi and Keith Leider. The first line consisted of wings Dave Hyllengren and John Tammi, defense men Gene Westlund and Keith Leider, with Bill Johnson in the net and Gary Beckman at center. Taking high scoring honors this year were Dave Hyllengren and Gary Beckman. Keith Leider was the roughest player on the squad, which explains his frequent visits to the penalty box.

The Icemen played their best game this year against West St. Paul, although the score was 5-3 with West St. Paul on top.

Next year Coach Alley will have eight returning lettermen but could use a couple of good defense men, as this seems to be the weak spot on the team. Mr. Alley says that with a little hard work and desire, John Tammi, Gary Beckman, and Dave Hyllengren will be excellent college hockey players.

Sno Dance

Maria Marques lends a hand with the decorations.

Their Majesties: Joan Bauer and John Tammi.

Excitement mounted as the crowd assembled for the crowning of the King and Queen and the climax of a beautiful Sno Dance.

The GAA had beautifully transformed the cafeteria into a winter wonderland, using huge snowmen and ever-green boughs to achieve a wintry atmosphere.

Preparation for this dance had begun weeks before by voting for King and Queen candidates in English classes. Janice Anderson, Joan Bauer and Mary Watson were the three Queen finalists, and Steve Benzian, John Tammi and Dick Watson were the King finalists.

Finally the long-anticipated moment of the coronation arrived. Joan Bauer, GAA president, walked slowly in front of the King candidates, creating unbearable suspense before crowning John Tammi 1958 Sno King. Bob Tufford, "A" Club president, then placed the Queen's crown on Joanie's head, crowning her Queen Joan Bauer, 1958 Sno Dance Queen.

Eldon Miller and the Collegiates gave the finishing touch to the dance by supplying dreamy music and a perfect atmosphere.

Boys' Intramural

About the middle of November the Intramural sports program got under way. The first sport was basketball. Ten teams got into the act, six in the "A" League and four in the "B" League. After a rugged season, "Ace and the boys" finished on top in the "A" League. Champions of the "B" League were the Slopshots, who finished with a 10-3 record.

Bowling was also done at this time. Every Wednesday night the boys bowled at Hi-Way 10. Some of the scores were very good and others not so good, but everyone had a lot of fun. Winning the championship was a team called the Kingpins. Only two games behind were the All-Stars. Marvin Jones had the highest league average.

Toward the end of February, volleyball was started. Three leagues were organized with a total of twenty-three teams. The top teams in the "AA" League were the Deadbeats and the Ky-Sy-Six. The most colorful and best uniformed were the Sad Sacks. The Aubgabers II were a very strong team in the "A" League. The "B"

Spike it, Leol

League was very evenly matched and probably had the greatest competition. Intramural volleyball consisted of about 160 boys who made up twenty-three teams — ten in the "AA" League, eight in the "A" League, and five in the "B" League.

Swimming Club

The Swimming Club, formed in the hope of entering competition with other schools, is the newest club. Unable to gain access to the State Hospital pool more than one evening a week, which was somewhat of a handicap, the members nevertheless managed to practice relays and other swimming events, which included diving.

Their very able coach was Mr. Si Jablonski, a graduate of the University of Minnesota, where he excelled in swimming.

Competing with the St. Cloud Tech swimming team, our team made a good showing, considering their few chances for practice. Next year they hope to establish a team which will be able to compete with other teams in our conference.

Richard Hammond and Tom Lahn are off to a flying start.

Members of the Swimming Club.

Racket Squad

A tennis meet between two schools consists of five separate matches; three singles and two doubles. Each match consists of the best of three sets and counts one point in determining the school that wins that event.

The chances of this year's tennis team winning more matches than last year's are good. In fact, Anoka stands a fairly good chance of finishing well up in the Suburban Conference in the overall team standings.

The main reason for this improved outlook is that there will be four returning lettermen on this year's squad; Jim Stewart, Dave Zopfi, Doug Rainbow, and Captain Paul Lommen. Also, Anoka has a new tennis coach this year, Mr. Earl Holdridge. Already in the short time he has worked with the team, Mr. Holdridge looks like an excellent coach.

The April of 1958 started one of the most successful track seasons Anoka ever experienced. Coach Roger Carlson was very pleased, not only with the participation and the records of the trackmen, but also with the support given by the students.

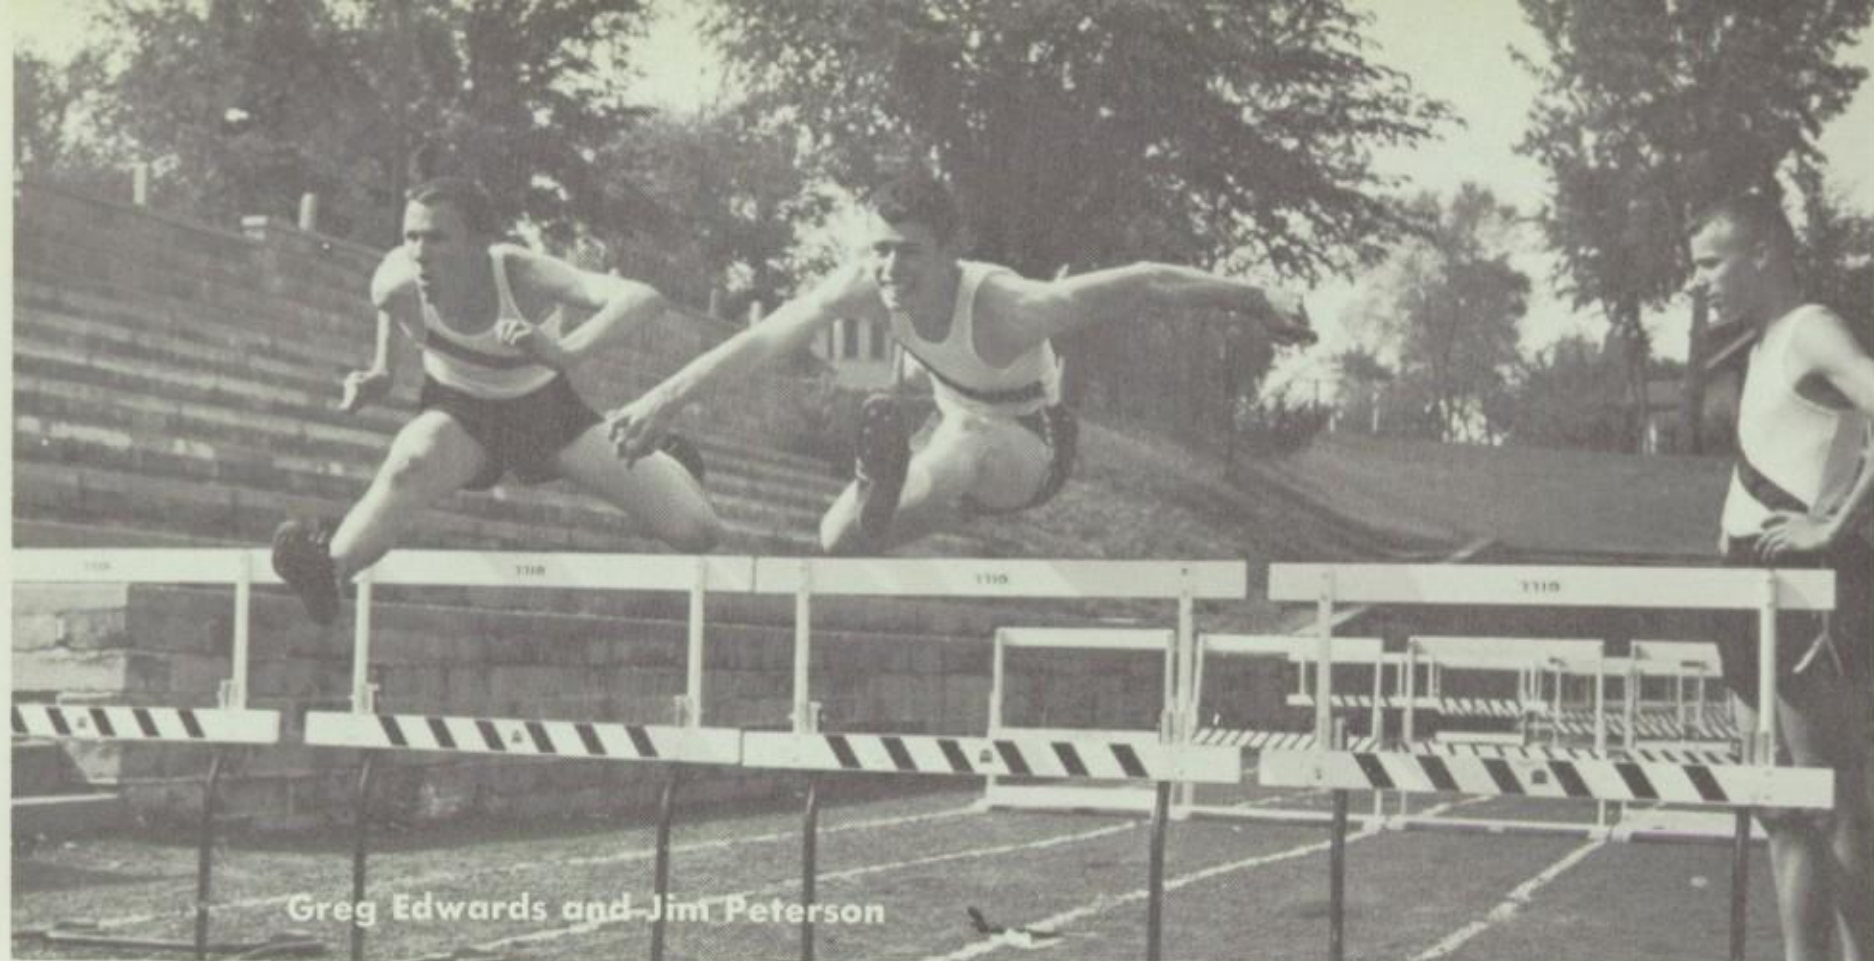

Under the leadership of Captain Dick Pederson, the team copped Conference, County, District 16, and Region IV championships. The Region IV title was considered the major victory of the year.

Three boys represented Anoka at the State meet. Senior Vern McGonagle, in his second year at State, finished second in the high jump. Bruce Weeks, another veteran, in his second year at State, placed sixth in the half mile event. Junior Jerry Richardson competed in the State meet for the first time in the broad jump. Jerry is also captain of the 1959 squad.

Good prospects for the future include the Peterson brothers, Jim and Carl, along with Greg Edwards at the hurdles. Bob Tufford at shot put is expected to do well in that event. Leo Carlson, Dale Meyer, Ed Kessler, and Mike Robbins are all future track stars.

Coach Carlson hopes that last year's record will be a stimulant for more student body support.

Track is a sport that includes both individual and team work. It is one of the most competitive sports offered in the present extracurricular program in our school. Each member of the team competes as an individual, yet helps the team as a whole. This makes track an outstanding sport and one of which we at Anoka can be proud.

A comparatively young and inexperienced squad reported to Coach Nelson to start the 1958 season. As the season progressed, however, the team made excellent progress, in both hitting and pitching departments. The team boasted a season's record of 13 wins, 7 losses, with a conference record of 3-5.

In District play the Tornadoes really started to roll. Augmented by the timely hitting of Duane Blaska and the very excellent pitching of Ken Nelson, Anoka defeated Princeton, Spring Lake Park, Elk River, and then Braham in the finals. Advancing to Region Four Play at Parade Stadium, Anoka defeated New Prague 9 to 4. The squad went right up to the finals before getting beat by a very strong St. Paul Johnson team, which later became state champions.

Prospects for the 1959 season are bright as the entire mound staff of Nelson, Blaska, Gadola, and upcoming Dave Fellers are returning. Other seasoned veterans, Brock, Leider, Beckman, Hyllengren, Higgins, and Benzian will comprise an outstanding combination both on the field and at the plate.

Golf

Last spring the Tornado golfers turned in another excellent record. The one conference match they lost was to Stillwater, who took the Suburban Championship. The District tournament proved to be an easy test for Anoka; they took five places out of nine. Next came the Region tournament. The Tornados upset Stillwater, won the crown, and placed three individuals in the State tournament. These three were seniors Jim Pfleider and George Duffy, two of Anoka's all time greats, and promising sophomore Butch Youngquist. They fought hard to win the State Championship but had to settle for second to a strong Minneapolis Roosevelt team.

Even though the team will be short some good players this year, they will still have a good squad. Much of the load will be on the shoulders of Butch Flint, Butch Youngquist, and Bill Johnson.

Cross Country

Out of the twenty boys who greeted him on opening day of practice last fall, Coach McLaughlin was to develop a cross country team. He did a very fine job considering the fact that none of the boys had been out before.

In Conference meets the Tornadoes took one first place and two second places. At Mankato, Anoka placed sixth out of eight teams in an invitational meet. In the All-Conference meet McLaughlin's boys managed to take fourth place.

In a newly organized District meet, Anoka walked away with the crown by placing four of our runners among the first five winners. The team put forth their best effort in the Region meet.

Sparked by the fine performance of freshman Bill Owen, sophomore Mike Robbins, and seniors Mike Gallagher, Leo Carlson, and Jack Messer, Anoka came in fourth place out of sixteen schools participating. By placing tenth out of 105 boys in this meet, Mike Robbins was qualified for the State meet. He came in 67th out of 135 of the best cross country runners in the state.

Although cross country is a fairly new sport, we are sure that its popularity will grow, and we certainly encourage more students to come out and support the team.

Six of the snappiest, peppiest cheerleaders to ever front a cheering section led the Tornadoes to victories this year. Seniors Joan Bauer, Anne Ward, Captain Mary Watson, Sue Gregerson and Dot Olson plus junior Pat Richards were always on hand when our teams needed support. Miss Prichard, the squad advisor, said this year's cheerleaders are cooperative and have lots of school spirit. Working with the band and the students, the cheerleaders did a lot to boost team morale.

Anoka's "B" squad football and basketball teams were cheered on to victory this year by six enthusiastic "B" squad cheerleaders. Diana Wennerlund, Nicky Kerpen, Burnetta Pierce and Karen Nelson, juniors, and Terrie Pfeider and Pat Englund, sophomores, practiced every Wednesday evening in the gym with their advisor, Miss Prichard. Their goal throughout the year was to improve their old yells and to construct new ones. These girls will probably "step" up to Hockey, Wrestling or "A" squad cheerleading positions next year.

Wrestling Cheerleaders

This year the school had an addition to the cheerleading staff. Vickie Rubis, Lonnie King, and Janice Anderson were chosen as our new wrestling cheerleaders. They have done a lot to make wrestling a more popular sport.

These girls were required to use more chants than anything else, and to come up with them at the proper time.

Other additions to the cheerleading staff were the hockey cheerleaders. They are Shelly Schlagel, Kay Luchsinger, and Diane Mattson. Their warm, toasty outfits enabled them to cheer even in below zero weather.

This type of cheering required quite a different technique. The cheers were led from the ice. Skates were not used this year, but there is a strong possibility that they will be used next year.

GAA really started last spring when Joan Bauer was named this year's president. The beginning of the year saw the election of Kay Luchsinger as vice-president, Nancy Henning as secretary, and Jo Madson as treasurer. They are assisted by seventeen sports managers. Judy Grant handles archery, Julie Bryan—basketball, Janie Bauer—bowling, Nicky Kerpen—field hockey, Julia Jorgensen—golf, Marcia Collins—rhythms, Janet Huebner—softball, Corrine Guntzel—soccer, Sally Bakken—tennis, Karen Peterson—track and field, Diane Erickson—tumbling, Marilyn Johnson—volleyball, Karen Brown—minor sports, Pat Richards—rooters, Carol Stegora—concessions, Chris Jacobson—publicity, and Ann Ward—points.

Early in the fall, new members were initiated into the club. This year they wore green beanies throughout the day and then assembled that evening in the gym with the old members to get better acquainted.

Throughout the year, the GAA girls participated in a number of sports, such as golf, tennis, skating, tumbling, and bowling. Also regular basketball and volleyball tournaments were held.

In close connection with GAA is Rooters Club. This year they started a card section and made their first appearance at the Pumpkin Bowl game.

Two highlights of the year were the annual GAA sponsored Sno Dance and Mother-Daughter Banquet at which next year's president was named.

Our hard-working never-failing janitors are Alfred Hintgen — Maintenance Supervisor, Kenneth Nelson, Newton Anderson, Robert E. Johnson, Roger Dickenson, Thomas E. Beck, and Harold C. Spence. Not Pictured: Earl Holland.

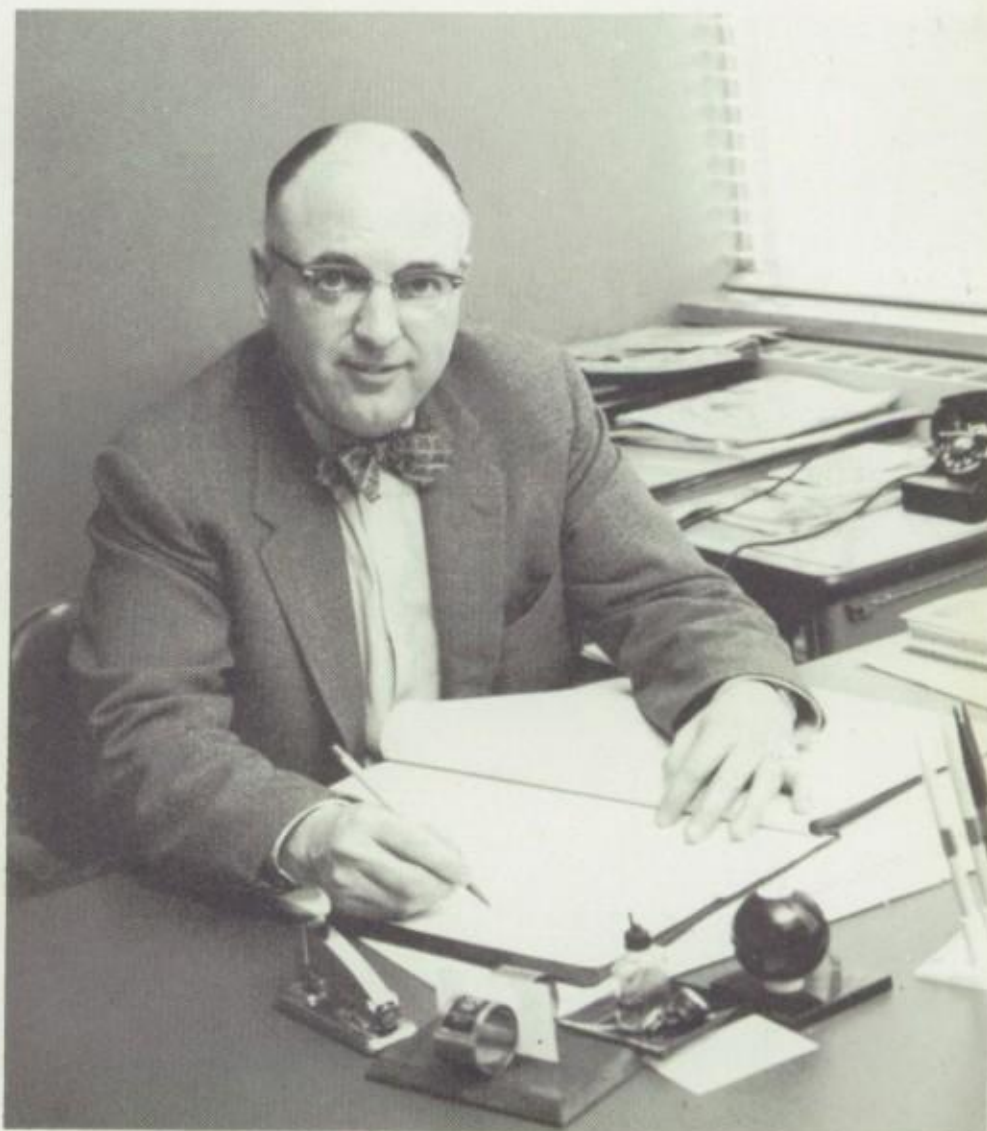

Always prepared to serve the students — literally — are our cooks, Emma Fleury, Evadne Cater, Marjorie Hoagland, Mrs. Ralph Huston, Mrs. Gladys Fischer, Mrs. T. J. Cuhel, Mable Erickson — Head Cook, and Evalyn Adler.

The members of the District 11 School Board: L. O. Jacob, treasurer; John Higgins, Director; Earl E. Olson, Business Administrator; Fred H. Moore, President; Morris Bye, Superintendent of Schools; H. G. Haugland, Vice President; Fred J. Ghostley, Director; Raymond K. Nelson, Secretary.

Our business administrator, **Mr. Earl E. Olson**, is in his sixth year of service at Anoka. His many duties include auditing the bills and supervising the school lunch program. When he's not busy with these duties, you can find him purchasing instructional and maintenance supplies, distributing equipment, and taking inventories. As you can see, Mr. Olson is a very busy and essential member of our administration.

Few people realize the wide range of duties that Mr. Cleveland's job as Curriculum Director covers. Studying schools' curricula, meeting with teachers, and supervising improvements in all study courses from the kindergarten to senior high level are only a part of his job.

Whenever any sizable changes are to be made, Mr. Cleveland must outline units upon units to be okayed by the Superintendent and the Board. Then he must meet with our state officials to get their approval.

Mr. Cleveland also institutes all practice teachers and is in charge of the new speech correction and remedial reading classes.

Our Superintendent's office girls pause from their many duties long enough to pose for their picture. They are Majorie Collins, Mildred Haney, Dorothy Olson, Majorie Wiese, and Murial Gregg. Not Pictured: Joanne Boyd.

These gals, always ready to give assistance with a smile, are Frances Cox and Carol Harmon.

Our principal, **Gerald E. Huston**, is a very important member of the administration. Students and teachers alike find Mr. Huston a patient, understanding listener.

The reporting of the morning and afternoon announcements is one of his duties with which we are most familiar, but he has many more important duties to perform that lead to the most efficient management of our school.

There could be no more fitting way to close the 1959 yearbook record than with our able superintendent, **Mr. Morris Bye**. Speaking at all important occasions and carrying out his many administrative duties keep him more than busy and make him a very vital member of our school's administrative staff.

In his sixteen years of serving Anoka-Hennepin School District 11, he has played an important part in determining the educational policy of this state. He has directed us in making our school what it is today, and in guiding indirectly each of our "steps to the future."
